ABOUT THE COLLEGE

Sadakathullah Appa College (Autonomous) was started in 1971 named after the Arabic scholar Saint Sadakathullah Appa. The college is located on a 40 acre sprawling campus. The college became autonomous from the academic year 2007-08. The college is reaccredited by NAAC with A grade with a CGPA of 3.40 out of 4.0 in the III cycle. In the year 2018, the college was declared by the as an ISO 9001:2015 certified institution.

The college offers UG courses Tamil, Arabic and Islamic Studies, English, Mathematics, Physics, Chemistry, Zoology, Computer Science, Commerce, History, Microbiology, Information Technology, Nutrition and Dietetics, Business Administration, Tamil, BCA. The post graduate courses offered are M.Com, M.A. (History), M.Sc., (CS), M.Sc., (Mathematics), M.Sc. (MMDD), M.Sc., (Physics), M.Sc. (Chemistry) and M.A. (English). Further M.Phil. and Ph.D., programmes are offered by the Department of Commerce, History, Computer Science and English.

ABOUT THE DEPARTMENT

The motto of the Department of Chemistry is to provide education and employment and to increase the productivity and prosperity.

The undergraduate course in chemistry was started in 1979. The Choice Based Credit System was introduced in the year 2007 - 2008. The Chemistry Programme has been carefully planned to give the students a strong foundation in theory and applications of recent developments in Chemistry such as Analytical Chemistry, Spectroscopy and Nanochemistry. The department also offers Biochemistry as one of the allied subjects to make Chemistry students familiar in molecular modeling, drug design etc.

Dept. of Chemistry offers a PG programme in Chemistry under self-supportive scheme. An amount of Rs. 57 lakhs was sanctioned along with the salary for the two faculty members for M.Sc. Molecular Modeling and Drug Design under UGC Innovative Programme. We also received Rs.10 lakhs seed money for conducting COP programme in Water and Soil Analysis (WASA) under UGC

FOCUS OF THE WORKSHOP

Workshop in Chromatography aims at introducing the recent developments in Chromatography for Faculty members, Research scholars and Post Graduate students of various colleges and Universities. It also aims at providing an opportunity to provide hands on training in different chromatographic techniques like TLC, Column Chromatography, Paper Chromatography and their applications. It will also be useful to teachers who want to extend their knowledge of chromatography
