Techniques adopted by K.S. Subramanian in translating utensil words used in the Tamil novel நெதுர் வெண்ணை நெல் வை உருண்டைபைதி by Jayakanthan into English.

S. Khaleel Ahamed

Abstract: The paper begins with a definition of translation. This is followed by an introduction to the author of the source book Jayakanthan. Dr. K.S. Subramanian has translated the names of utensils into English. This paper makes critical judgements on his translation. We may divide translation into six categories. The paper concludes with complementary notes to the translator.

Keywords: Target Language, Source Language, Equivalent, Vessels, Transliteration, Hybrid Formation, Lexical Item.
