A Study on National Digital Library e-Resources and its Utilization in Coimbatore Region Engineering Colleges

V.Ashok Kumar\textsuperscript{1} and Dr.M.Jayaprakash\textsuperscript{2}

Abstract

The National Digital Library contains digitized and digital information across Institutions of the nation to provide a single-window access with e-learning facility to different groups of users ranging from all level of education and even continuous learners of our country. It will provide educational materials in various languages, in all disciplines, in different forms of access devices and will cater to differently-abled learners as well. NDL is modernizing the University Campuses with State-of-the-art campus wide networks and setting up its own nationwide communication network. The paper discusses the facilities made available in NDL and how it is effectively used in Coimbatore region Engineering College libraries.
