ABOUT THE COLLEGE

Sadakathullah Appa College was established in 1971 and is named after the Arabic Scholar Sadakathullah Appa. The college is located on a 40 acre sprawling campus. It has been reaccredited by NAAC with an 'A' Grade with a CGPA of 3.40 out of 4.0 in the III Cycle. The college became autonomous in the academic year 2007-08. In the year 2018, the College was declared by British Standard Institution as an ISO 9001:2015 Certified Institution. The College offer UG Courses in History, Mathematics, Commerce, Zoology, Chemistry, English, Physics, Computer Science, Microbiology, Nutrition Dietetics, Information technology, Business Administration, Islamic Studies, Tamil. The Postgraduate courses offered are M.Com, M.A. (History), M.Sc. (Computer Science), M.Sc. (Maths), M.Sc. (Molecular Modeling & Drug Design), M.Sc. (Chemistry), M.Sc. (Physics), M.Sc. (Zoology), M.Sc. (Microbiology) M.A. (English). The Research programme like M.Phil for various subjects are offered in Commerce, History, Computer Science, English, Physics and Maths. There are nine Departments are approved as Research Centres by Manonmaniam Sundaranar University to offer Ph.D. in the following subjects History, Commerce, English, Computer Science, Chemistry, Physics, Zoology, Maths and Microbiology.

ABOUT THE DEPARTMENT

The motto of the department of Chemistry is to provide education, employment and to increase the productivity and prosperity. The Undergraduate course in Chemistry was started in 1979. The choice-based credit system was introduced in the year 2007-08 and the course was designed accordingly. The Under Graduate Chemistry Programme has been carefully planned to give students a strong foundation in theory and applications of recent developments in Chemistry. The Department of Chemistry offers M.Sc. Molecular Modeling and Drug Design, sponsored by UGC under the innovative programme scheme. In the academic year 2017-18, M.Sc. Chemistry was started. On 29.01.2018 the Department of Chemistry was recognized as Research Centre to offer Ph.D. Programme in Chemistry. All the aided faculty members are awarded with Ph.D. and five faculty members are approved as Research Guide by Manonmaniam Sundaranar University.

THEME OF THE NCCM'18

This conference "National Conference on Chemistry of Materials (NCCM'18)" aims at providing an opportunity to the research scholars and young faculty members to exchange their research ideas and experiences with the eminent speakers who are invited from the reputed organizations in the working in materials chemistry. Further it also aims at introducing the advanced developments in Chemistry and materials sciences for the under graduate and post graduate science students, research scholars and faculty members working in the thrust area of this conference.

THRUST AREAS

Materials Chemistry	Nano materials
Biomaterials	Metal Organic Framework
Bio-Inorganic Chemistry	Bio-Organic Chemistry
Biomolecules	Chemistry of Biomolecules
Computational Analysis	Electrochemistry of Materials

PROCEDURE FOR PAPER PRESENTATION

The Organizing Committee of this Conference invites unpublished original research article from the Faculty, Research Scholars working in the above thrust areas. The abstract and full paper should be neatly type written in Times New Roman Font with the Font Size 12 and single line space. All the accepted papers will be published in the conference proceedings with ISBN: 978-81-938054-1-1. Some selected full papers will be published in the college journal, Sadakath Research Bulletin (UGC APPROVAL No. 64130, ISSN: 2347-7644 and Indexed in Google Scholar). The full paper should not exceed five pages.

PAPER PRESENTATION IN-ABSENTIA

Papers can be presented in-absentia also by paying registration fee. After the Peer Review, It will be considered for the publication.
