1.4 – Feedback System

1.4.1 – Whether structured feedback received from all the stakeholders.

Students	Yes
----------	-----

Teachers	Yes
Employers	Yes
Alumni	Yes
Parents	Yes

1.4.2 How the feedback obtained is being analyzed and utilized for overall development of the institution?

The institution collects feedback from the stakeholders such as the students, alumni and parents. The students are electronically administered a questionnaire containing 25 questions focusing on the performance of a particular teacher who have taught them a specific subject and their feedback is collected confidentially. The students are to provide the feedback on a four point scale where 4 being very good and 1 being poor. The feedback is consolidated in a secure server and an overall percentage is given for a particular teacher. Then the teachers are ranked according to the percentage received. The individual teacher's feedback is shared with them confidentially. Moreover, a Feedback Analysis Committee comprising two members – Prof. K. Rabi Ahamed and Dr. M. Kamalutheen analyse the feedback further and based on the ranking the teachers who are in the last three positions are given personal counselling to improve their teaching and other relevant areas so that they can improve their overall feedback score. The overall report is also submitted to the management committee. Feedback from the alumni is also collected using a questionnaire. The feedback is consolidated and a report is prepared. A similar process is followed in the case of the parents also. But the questionnaires issued to the parents are in the regional language (Tamil) so that they can understand the question and give genuine feedback. The feedback provided by the parents is consolidated and a report is prepared. Both these reports are submitted to the Management Committee and actions are taken accordingly.

2.3.2 Students mentoring system available in the institution? Give details. (maximum 500 words)

Modus Operandi:

The Mentors meet the Mentees outside the teaching schedules twice a semester for a duration of an hour each. The Mentors will maintain a register to record the attendance of the Mentees.

The Mentors then commence the session with a Pep Talk in order to stimulate more interest in students in their academic activities. The grievances of the students pertaining to their studies may be registered by the Mentees. The Mentors by paying patient attention can guide them to overcome such bottlenecks.

The intimacy that develops between the Mentors and Mentees will finally lead to frank discussion on issues regarding family conflicts, financial constraints, teenage tantrums, unhealthy distractions etc. If things are getting out of control, the Mentees could be directed to professional counsellors. In most of the cases compassion and kindness on the part of the Mentors would render outstanding results. At times, the Mentors can accomplish difficult tasks if and when they call parents for additional support.

It is the duty of the Mentors to help the Mentees set reasonable goals and objectives, in spite of unexpected diversions and digressions.

The Mentors shall maintain a record of the number of days the Mentees were absent from classes and the reasons attributed to their absence. Moreover, the information in respect of the academic distinctions achieved by the Mentees, special awards and the services rendered by them inside and outside academic campuses. Such an approach will be a tremendous morale booster to them.

Drawbacks and remedies in the Mentoring System

In Co-education institutions Mentoring will be a challenging task. Therefore, Mentoring is offered separately for boys and girls. Crowded Classes are divided into small groups each consisting of nearly twenty students.

Due to the shift system mentoring during zero hours is done by setting aside regular classes twice a semester.

Advantages:

Mentoring is definitely a constructive approach in the transition period of college students. If the mentoring is avowedly carried out, it eliminates the disruptive tendencies and nurtures enlightened minds.

The academic campus is vibrant with awakened scholars pursuing the path of peace and harmony. Ours is an institution committed to the social, spiritual and intellectual emancipation of men and women regardless of discrimination. We fervently hope that the selfless mentoring that we embark on will assure an era of all round transformation.

4.4.2 Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

Laboratory facilities:

The College maintains laboratory facilities and equipment in a safe operating condition and ensures that all laboratory proceedings and experiments are conducted in a safe and prudent manner. The departments have their own laboratories in their respective wings. All the laboratories comply with the regulations relating to ventilation systems, environmental controls and other exhaust devices. The department of English has Language Laboratory with one server and forty computers, an Audio Visual Hall with a TV, LCD projector and motorized screen.

Library:

The Library is fully automated. The ID cards and books of staff and students are pasted with bar-coded labels. Student entry is through e-gate. AutoLib library software is used to issue books. Books can be searched through OPAC. A special website is created for the convenience of students to inform them about the library working hours, resources available at the library, recent events conducted by the library and list of newspapers, magazines and journals. An Internet café with seven computers and an e-library with fifteen computers are available on the campus. The library has created "Student Readers Forum" and "Forum for Civil Service Aspirants".

Sports

The College emphasizes the importance of sports and considers them as an integral part of the curriculum, by incorporating it under the Part-V courses and awarding credits. The schemes and the facilities available for promoting sports and games are: Sports Quota in Admission, Course Fee concession, Hostel fee concession, Credit of attendance, Travel Allowance, Day Allowance, Medals and Honours at the College Day Celebrations, Cash Awards, Free Sportswear, Supplementary CIA Test, Intramural competitions, Inter-Departmental Competitions.

Computing Facility:

The College has 337 computers, 21 ICT- enabled classrooms, an e-Library, an e-Conference Hall, two Seminar Halls, a Language Laboratory, an Audio-Visual Hall, Wi-fi modems, propriety softwares and three in-house built softwares. These learning spaces are also utilized for organizing Guest Lectures, Seminars, Conferences, Workshops, Training Programmes, Inter-Collegiate Academic Festivals and Recruitments Drives.

Classrooms:

The College runs 42 programmes under Aided and Unaided categories and it puts to optimum use, its 62 classrooms by conducting classes in two shifts. Apart from this 14 Add-on courses and Spoken English classes are conducted. The incubation centre facilitates the conduct of typewriting classes with 64 typewriters, to provide hands-on training to commerce students.

The maintenance of the buildings, the classrooms and the laboratories are taken care of by a maintenance Engineer and a full -time building Supervisor. The College has also appointed supervisors, electricians, plumbers, carpenters, laboratory assistants, technical assistants, gardeners, sweepers, scavengers and markers for the maintenance of infrastructure facilities, equipment and for the upkeep of the campus.

The Management has appointed two full-time system administrators and one Hardware Technician for the maintenance of Computers and their accessories. Apart from this, the College also utilizes the services of the external Hardware Professionals whenever needed. The UPSs are maintained under AMC. The College allocates sufficient funds under

the AMC for the maintenance of Computers. It also uses the fund sanctioned by the UGC under Equipment Maintenance Grant.

CRITERION VI –GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 Institutional Vision and Leadership

6.1.1 Mention two practices of decentralization and participative management during the last year 2018 - 19

The Governing Board comprise of the President, the Secretary, two members of the Management Executive Committee, the Principal, the Director and two senior faculty members. Their contribution and support in formulating and executing decision making policies for academic and administrative affairs through various bodies and committees have enhanced the growth of the college.

During the recruitment of the teaching staff, the concerned Head of the Department is included as one of the Interview Board panel members. They are entitled to give inputs on the performance of the candidates.

A Dean of Sports has been appointed with the view to decentralize the administration of the sports affairs. Besides having the Physical Director, the Dean of Sports will facilitate and authorize the modalities and proceedings of the activities of the Physical Education Department.

The institution collects feedback from the stakeholders - the students, alumni and parents. The students give feedback in e- format with a questionnaire containing 25 questions based on the performance of their respective teaching faculty and their feedback is administered confidentially. The students are to provide the feedback on a seven point scale where 7 being excellent and 1 being very poor. The feedback is consolidated in a secure server and an overall percentage is given for a particular teacher. The teachers are ranked according to the percentage received. The individual teacher's feedback is shared with them confidentially. The College Management gives complete freedom to the Feedback Analysis Committee comprising two senior members to analyse the feedback further and based on the ranking, the teachers in the last three positions are given personal counselling to improve their teaching and other relevant areas which facilitates them to improve their overall feedback score.

Besides this the Managing Committee regularly meets with the Heads of the Departments, IQAC Coordinator and Student Representatives.

A round the clock Campus Manager for taking care of the campus amenities ensures the campus is well kept and maintained. The Administrative Advisor provides valuable suggestion to the authorities concerning the litigations and related activities. Decentralization and participative management is much apparent with the frequent meetings of both the Boys' and Girls' Hostel Deputy Wardens with the Principal and the Deputy Wardens are entitled to take decisions when need arise.

Curriculum Development Cell has been functioning efficiently. The Cell has full liberty to design a curriculum, which involves the framing of guidelines for general course scheme and scheme of examinations for all U.G., P.G. and M.Phil courses.

The College Council supports the Principal in his day-to-day academic and society related programmes. It frames various Committees for careful planning and implementation of daily activities in the campus. It rises to the occasion during emergency situations like unanticipated holidays and student related issues. The Academic Calendar of the college is

laid out by this Council. The opening day and the last working day of a semester and other distinct activities of the College are also resolved by this council.	
6.1.2 Does the institution have a Management Information System (MIS)? Yes/No/Partial:	
Partial	
6.2 Strategy Development and Deployment	
6.2.1 Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):	
Strategy Type	Details
Curriculum Development	The meetings of the Boards of Studies are periodically conducted for the revamping of the syllabi. A total of 30 seminars, conferences and symposia have been organized in all the disciplines. Computer Assisted Language Learning (CALL), A Practical Course in Spoken English are two courses offered as Innovative papers. The Choice Based Credit System facilitates the offering of Skill Based Electives, Elective Paper, Non-Major Elective, Value Education, Environmental Sciences, Part-V programmes, Career Oriented Programmes, Add-On-Courses and Project for UG / PG Students.
Teaching and Learning	76 staff members are Ph.D. holders, among which, 44 are approved guides. The College has 21 ICT-enabled classrooms, 5 functional Smart classrooms, an Audio-Visual Hall, a Language Lab, an e-Library and an e-Conference Hall. The Department of Zoology maintains a museum with 670 specimens. The College has a herbal garden with 78 plant species. The Department of Business Administration periodically conducts Group-Discussions. The College provides OD to staff members for presenting papers and serving as resource persons at various State, National and International seminars, conferences and workshops. The research scholars are motivated to present their seminar through PowerPoint presentations.
Examination and Evaluation	The institution follows the ratio of 25:75 pattern for theory papers and 40:60 pattern for practicals. There is no passing minimum mark in the internal. Three Continuous Internal Assessment tests are conducted per semester. Each CIA is for 20 marks. Average of the best two along with 5 marks for the Assignment is calculated. The valuation is done by external examiners alone. However, the Chairperson of each valuation board is the senior internal faculty. The Institution follows single valuation system for UG and double valuation for PG and M.Phil courses. Mark Statements are issued with seven security features.
Research and Development	The Research Promotion Committee functioning with the Principal as Chairperson and senior faculties as Research Coordinators and Research Heads shall be responsible for

	<p>implementing the research policy of the college by following the guidelines of the University and the college management. Faculty from 11 departments guide research scholars. 72 scholars are working under 44 approved research supervisors. The RPC promotes research among the faculty and scholars through several initiatives. A scholar from the Research Centre of Chemistry was sanctioned by the TNSCST with the funding of Rs.7,500/-. One scholar from the Research Centre of English received the Junior Research Fellowship.</p>
Library, ICT and Physical Infrastructure / Instrumentation	<p>The College has a fully automated library with updated facilities such as e Gate, bar code scanning, AutoLib Software, OPAC, Inlibnet/N-list and a browsing centre with 7 computers. Sports Gallery, Multipurpose Indoor Stadium, Tennis Courts, Solar Lamps, Rain Water Harvest, 2 Ramps for physically challenged, RO water, Multigym, Volley Ball Court, Cricket Nets are some of the recent enhancements in Infrastructure. The Boys Hostel has 56 rooms. The Girls' Hostels have 36 halls and a separate Canteen for Boys and Girls.</p>
Human Resource Management	<p>The institution makes the maximum use of the available human resources. Students are engaged by the Ph.D scholars during the free hours. Faculty members who are approved guides serve as Internal subject experts for the Doctoral Committees. The staff members of the first shift extend their services to the second shift students and the vice-versa. They serve as conveners and coordinators of various committees. The Staff members are also deployed in administrative positions of the Placement cell, the Book Depot, the College Canteen and the College Hostels. Students also work under the Earn While You Learn Scheme.</p>
Industry Interaction and Collaboration	<p>The College maintains tie-up with the ICT Academy and conducts various student centric programmes for the welfare of students and for the development of the institution. The ICT and Sadakathullah Appa College conducted a Faculty Development Programme on Creative Thinking. An elocution competition, "Youth Talk 2018" was conducted by the ICT. The PG Department of Computer Science signed a MoU with Gateway Software Solutions, Coimbatore on 13.08.2018. The department also signed a MoU with University College London, Brunel University London, NVIDIA and Amazon Industry for Deep learning on 27.08.2018.</p>
Admission of Students	<p>Admission of students into UG, PG and M.Phil. Programmes are solely on merit basis. Applications are invited from eligible candidates for admission into various courses. After the receipt of filled-in applications, the data is entered in the</p>

	computer with the help of specially designed software, and the merit list is generated. As the College is a Muslim Minority Institution, 50% are admitted as per the guidelines of the Government of Tamil Nadu. The entire Admission Process is now done online. Admission into self-financing courses is done through one-day counselling.
6.2.2 : Implementation of e-governance in areas of operations:	
E-governance area	Details
Planning and Development	<p>The Study Webs of Active learning for Young Aspiring Minds - National Programme on Technology Enhanced Learning (SWAYAM-NPTEL), is an initiative taken by seven Indian Institutes of Technology and Indian Institutes of Science for creating self paced course contents in various disciplines. It enables the learning experience easy and available to all. NPTEL began offering online courses in March 2014. Certificates are being issued from the Indian Institutes of Technology (IITs) and Indian Institutes of Science (IISc) for those who complete the courses successfully. NPTEL partners with around 1900 colleges in the form of Local Chapters and our College is one among them. The institution had the privilege to inaugurate NPTEL Programme on 26.07.2018.</p> <p>The Institutional activities are discharged as per the Academic Planner approved by the Governing Board on 17.03.2018. Online entry of the internal marks is practiced effectively. The Staff Profile and Department Profile are computerized and uploaded on the College website.</p>
Administration	<p>SMS facility is available to notify the absence of the students to their parents. WhatsApp groups are formed to share information. The offices of the Principal, the Controller of Examinations, the Deans, the Managing Committee and the college Administrative block are computerized. Sixty five CCTV cameras have been installed to ensure effective campus monitoring. A Public Address system is operational in every departmental classroom. e-attendance has been introduced for the security staff.</p> <p>Newly developed software namely SACRESEARCH is used for hassle-free administration.</p>
Finance and Accounts	The students practise online fee payment. Computerized receipts are preferred to old ones. The Financial Section in the COE and Committee offices are computerized. PFMS is being followed effectively.
Student Admission and Support	The entire process of Admission including the issue of application and payment of fees has been made online. The attendance of the students is uploaded on the College Website every day. Internal and Assignment marks are entered online.

	Results are published online.
Examination	Students pay the Examination fee online. Online entry of the internal marks is practiced effectively after duly verified by concerned staff members. Online Hall Ticket Download Method has been introduced since the April 2019 Semester Examinations. The updated timetable for the Semester examinations will be linked to the eligibility list of the respective students. The students who are appearing for the regular and arrear examinations will be categorized. A hall-wise seating plan will be done accordingly. Subsequently the entire database will be uploaded to the internet. The students may download and print their hall tickets by clicking on the "Print" option after entering their register numbers. The results are published in the College website.

7.1.7 Initiatives taken by the institution to make the campus eco-friendly (at least five)

1. The college encourages minimal usage of plastics and paper cups and encourages the use of banana leaves and stainless steel glasses for all kinds of programmes conducted on campus.
2. Saplings are being planted on a regular basis in and around the campus as part of the Independence Day and Republic Day celebrations, NSS, NCC programmes and on the World Environment Day.
3. 20KW Solar power has been installed and LED lights are used in the College in order to reduce energy consumption.
4. Waste management and waste recycling is done on campus and the students as well as the faculties are encouraged to do the same at their homes too.
5. The teachers and students are encouraged to print on both sides of the paper. Papers printed on one side are subjected to reuse.

7.2 Best Practices

Describe at least two institutional best practices

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

Best Practice I

Title of the Practice:

Students Self Help Scheme (SSHS)

Objectives of the Practice:

- To ease the financial constraints of the students and prevent their abrupt

discontinuation of studies due to their pitiable economic condition.

- To help the students attain their goals without any hurdles.
- To sow the seeds of munificence and philanthropic thoughts among the young minds.
- To extend financial aid to all the deserving students without any discrimination on the basis of religion, caste, creed and gender.
- To build confidence among the economically backward students and to instill in the young minds that money cannot be a hindrance for the thirst of having education.
- To effectively utilize the available human resource.

Context:

Sadakathullah Appa College admits students from several parts of the state. It has been perceived from the profile that many a number of students joining the institution come from economically subjugated background. The reason behind this is many students are either fatherless or motherless children whose single parent is unable to financially meet with the educational needs. Another major reason is many students come from rural background where education is not given much importance and considered as an expensive entity. Due to the reasons mentioned above, many students quit in the middle of the programme. In order to help the students in tackling the hardship, the college initiated a scheme called **‘Students Self Help Scheme’**.

Practice:

The role of the Students’ Council deserves great recognition concerning the effective implementation of the scheme. Each student voluntarily donates Rs.10 a month to help their friends who are suffering financially and this amount is collected by the members of Students’ Council accompanied by other volunteers. The collected amount is distributed among the needy students to meet their educational needs such as semester fee, exam fee, book fee, hostel fee and so on.

Evidence of Success:

The amount collected under this scheme this year in the aided stream is Rs. 60,000/- and it has been distributed among the twenty two needy students. The establishment of this appreciable scheme helps the financially backward students to concentrate and have a commitment towards their academics. The scheme reduces the economic concerns of the students to a great extent. This way the practice has a progressive influence on the academic abilities and attitudinal changes among the beneficiaries.

Problems Encountered and Resources Required:

- It is challenging the categorisation of the deserving students who are really in need of

financial assistance.

- The college needs to watch over whether the beneficiaries are not already supported by other kinds of financial aids such as scholarships and endowments.

Best Practices II

Title of the Practice:

Students Help In First Aid (SHIFA)

Objectives of the Practice:

- To extend financial assistance to the students who need medical attention.
- To lend a helping hand instantaneously at a vulnerable situation to the beneficiary and his/her family.
- To provide moral and psychological support to the beneficiary as well as his/her family
- To promote the habit of helping people at tough situations among the young energetic minds.

Context:

In today's speeding world, untoward incidents such as accidents are inevitable and numerous people lose their lives or suffer physical deformities and injuries throughout their lives. At these critical situations, our college stands in the front and helps the needy to meet with their medical expenditures and ensures recovery promptly. This is being accomplished effectively by the college for the past few years by the initiation of a noteworthy and noble scheme called '**STUDENTS HELP IN FIRST AID (SHIFA)**'.

Practice:

STUDENTS HELP IN FIRST AID (SHIFA) initiated by the college is one of the most remarkable schemes that are widely appreciated by many people. This scheme is made successful with the help of the Students' Council and volunteers. The college is being informed about the accident or any untoward incident that needs immediate medical attention of any student through the members of the Student Council. The members accompanied by other volunteers start collecting funds from the students and faculties of the college at the very moment of receiving information about the incident. The collected sum of money is immediately given to the injured student and his/her family to meet with the medical expenses.

Evidence of Success:

To cite one of the many noble activities beneficiaries, the Students' Council through this righteous scheme has collected a sum of Rs. 1,50,000/- from the students and staff of Sadakathullah Appa College towards the Medical Aid of our College Student Mohamed

Faizal of II B.Com.(Unaided) who met with an accident. Apart from this, a sum of Rs. 73,719/- has been collected under this scheme and distributed to the fifteen needy students this year. This scheme has served many students at the right time. In this way, this virtuous scheme has helped several students in their medical expenditures and quick recovery.

Problems Encountered and Resources Required:

- At times, due to the lack of time in collecting funds the financial aid may reach the hands of the beneficiary a little later.
- The student volunteers happen to miss their regular classes when they go to collect money under the scheme.

7.3 Institutional Distinctiveness

Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust

Provide the weblink of the institution in not more than 500 words

“The Progress of the world depends almost entirely on education”, says George Eastman and it has been provided to all sections of the society especially the underprivileged for the past few decades by our institution for the progression of the nation as well as the world. As the college vision states, “to provide quality higher education to all” it takes all possible efforts for the students to obtain a proper and quality education. As such, the college offers 42 programmes that include Undergraduate, Post Graduate, MPhil and PhD. The Add-on-Courses are conducted for the students by various departments thrice in a week to develop their knowledge regarding diverse streams of education.

The college also takes necessary initiatives to discover and ripen the multiple skills of a student apart from his/her education. The college offers Spoken English Classes conducted by the Department of English to the students of various departments in order to improve their ability of communicating effectively in English as well as to strengthen their fluency and confidence. Typewriting classes are conducted in our college in association with the School of Commerce, Palayamkottai. The students are prepared to appear for the Typewriting Examinations conducted by the Government of Tamil Nadu (DoTE). This academic year, 76 students from aided stream and 208 students from unaided stream have enrolled their names for typewriting classes.

The college promotes the significance of education among the deprived sections of the society through a number of institutional scholarships. This academic year, the scholarships offered by various philanthropists and retired staff of the college is Rs.15, 48,048 that has

been distributed among 551 beneficiaries.

Earn While You Learn is another noteworthy scheme introduced by the college to identify the economically disadvantaged students and employing them in convinced positions within the college of which they receive a remuneration of Rs.100/day. This promotes the work culture in them as well as eases their financial constraints.

The college does not halt its duty with providing quality education but also cultivates the seeds of social responsibility. The thoughts of serving mankind are replicated in appreciable schemes like SSHS, Manitham and SHIFA. A philanthropic movement named **Manitham** is in place with a noble cause to aid the deprived and homeless people. Fifteen people are being taken care under this scheme in this year. **Students Self Help Scheme (SSHS)**, has been functioning for the past four years successfully as it eases the pressure of economically disadvantaged students. Each student pays a sum of 10 rupees every month voluntarily under the scheme to help their poor and needy friends. The amount collected under the scheme this year is Rs. 66,000/- and has been distributed to twenty two needy students.

Thus, the college strives in providing education with excellence and making students as dynamic personalities of the world in serving mankind. **AGAM – The Students’ Self Development Scheme** helps students to be aware of their potential and guides to achieve exemplary growth and success.
