About the College :

Ever since the British period, the twin towns of Tirunelveli and Palayamkottai, intersected by the perennial Tamirabarani river, have been great centers of learning. The Tirunelveli district has a sizable Muslim population which felt the need for an institution of higher education. Due to dedicated and sincere efforts of the Muslim elite, a college of Arts and sciences, named after the noted Arabic Scholar Sadakathullah Appa, was started in 1971. Sadakathullah Appa College (Autonomous) has been serving a beacon light spreading the light of knowledge by education to the students from the backward areas of southern districts. The College which celebrated its Silver Jubilee in the year 1999, is proud to possess a diligent and seasoned team of Staff who have put it on the springboards of progress and success. The College is reaccruited with 'A' grade by NAAC; with 3.40 score in the III Cycle and ISO 9001:2018 certified institution, affiliated to Manonmaniam Sundaranar University. The College aims at producing holistic personalities by introducing globally relevant subjects and imbuing in them aptitude for learning, internalizing of best practices, institutional culture and commitment towards community.

About the Library :

The Sadakathullah Appa College Library has emerged as a Knowledge Resource Centre, catering mainly to the information needs of the Faculty, Research Scholars and students. The Library is functioning since its inception from the year 1971. It is shelved as an independent department on the campus with a floor area of nearly 3,600 sq.ft. Now, a new building is being constructed with a ground floor area of 6000 sq.ft and 6000sq.ft as its first floor. Automation of this library consisting of over fifty one thousand books and documents has been completed and is put to use. Library users have always cherished memories of availing of the services of this treasure-house of documents since the past decades. The collections in the library include Books, National and International Journals, standard newspapers and magazines and online e-resources. The Library is equipped with all modern facilities on par with International standards. It gives training to students to get access to books and journals using standard websites like NPTEL. We are also a member in INFLIBNET-NLIST & DELNET for accessing their databases. We receive a lot of e-resources (i.e e-books, e-journals) from these databases.
