ABOUT THE COLLEGE

Ever since the British period, the twin towns of Tirunelveli and Palayamkottai, intersected by the perennial Tamirabarani river, have been great centres of learning. The Tirunelveli district has a sizable Muslim population which felt the need for an institution of higher education. Due to dedicated and sincere efforts of the Muslim elite, a college of Arts and Sciences, named after the noted Arabic Scholar Sadakathullah Appa, was started in 1971. Sadakathullah Appa College (Autonomous) has been serving as a beacon light spreading the light of knowledge by education to the students from the backward areas of southern districts. The College which celebrated its Silver Jubilee in the year 1999, is proud to possess a diligent and seasoned team of Staff who have put it on the springboards of progress and success. The College is reaccredited at an 'A' Grade by NAAC, with 3.40 score in the III Cycle and is an ISO 9001:2015 Certified Institution, affiliated to Manonmaniam Sundaranar University.
