

YEARLY STATUS REPORT - 2022-2023

Part A

Data of the Institution

Part A	
Data of the Institution	
1.Name of the Institution	Sadakathullah Appa College
• Name of the Head of the institution	Dr. S.M. Abdul Kader
• Designation	Principal
• Does the institution function from its own campus?	Yes
• Phone No. of the Principal	04622540435
• Alternate phone No.	04622540763
• Mobile No. (Principal)	9443001819
• Registered e-mail ID (Principal)	principal@sadakath.ac.in
• Address	Rahmath Nagar
• City/Town	Tirunelveli
• State/UT	Tamil Nadu
• Pin Code	627011
2.Institutional status	
• Autonomous Status (Provide the date of conferment of Autonomy)	11/07/2007
• Type of Institution	Co-education
• Location	Urban

• Financial Status	Grants-in aid				
• Name of the IQAC Co-ordinator/Director	Dr. A. Syed Mohamed				
• Phone No.	04622542732				
• Mobile No:	9894388030				
• IQAC e-mail ID	saciqaccoordinator@gmail.com				
3.Website address (Web link of the AQAR (Previous Academic Year)	https://sadakath.ac.in/aqar21_22.php				
4.Was the Academic Calendar prepared for that year?	Yes				
• if yes, whether it is uploaded in the Institutional website Web link:	https://sadakath.ac.in/aqar22_23.php				
5.Accreditation Details					
Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 4	A++	3.56	2023	21/03/2023	20/03/2030
6.Date of Establishment of IQAC			04/03/2004		
7.Provide the list of Special Status conferred by Central and/or State Government on the Institution/Department/Faculty/School (UGC/CSIR/DST/DBT/ICMR/TEQIP/World Bank/CPE of UGC, etc.)?					
Institution/ Department/Faculty/School	Scheme	Funding Agency	Year of Award with Duration	Amount	
Sadakathullah Appa College	No	No	Nil	Nil	
8.Provide details regarding the composition of the IQAC:					
• Upload the latest notification regarding the composition of the IQAC by the HEI	View File				
9.No. of IQAC meetings held during the year	2				

<ul style="list-style-type: none"> • Were the minutes of IQAC meeting(s) and compliance to the decisions taken uploaded on the institutional website? 	<p>Yes</p>
<ul style="list-style-type: none"> • If No, please upload the minutes of the meeting(s) and Action Taken Report 	<p>No File Uploaded</p>
<p>10. Did IQAC receive funding from any funding agency to support its activities during the year?</p>	<p>No</p>
<ul style="list-style-type: none"> • If yes, mention the amount 	
<p>11. Significant contributions made by IQAC during the current year (maximum five bullets)</p>	
<p>The IQAC organized a programme on Outcome-Based Education titled "The Designing of Course Outcomes and the Setting of Outcome-Focused Questions" on 22/11/2022, Mr. Ajay Bhagwat, Director, Inpods India Private Limited, Pune, India, serving as the chief guest. The Executive Committee of the NAAC declared on March 21, 2023 that the College was reaccredited by NAAC with a CGPA of 3.56 in the IV Cycle. Under the UGC Paramarsh Scheme our College serves as a mentor institution to guide non-accredited institutions. Under the mentorship our College, St. Alphonsa College of Arts and Science, Karinkal has been accredited with B++ at a CGPA of 2.96. A meeting on Outcome-based Education was organized by the IQAC on 31.01.2023. A Training Session on Course attainment was organized by the IQAC on 08.02.2023 and 09.02.2023. Booklet form of answer scripts have been introduced for all UG and PG students. Policy on Differently-abled Students and Policy on Mentoring have been framed.</p>	
<p>12. Plan of action chalked out by IQAC at the beginning of the academic year towards quality enhancement and the outcome achieved by the end of the academic year:</p>	

Plan of Action	Achievements/Outcomes
To start a Diploma Course in Martial Arts	Under Discussion
To start a Diploma Course in Fashion Technology	Under Discussion
To establish a State-of-Art e-Studio to develop e-Content	An e-Studio has been established
To apply for DST-FIST and to attain the status of A College with Potential for Excellence	Applied for DST-FIST
To motivate the Faculty to avail of Minor and Major Research Projects from DST/BARC/DBT/CSIR and from the other Funding Agencies	Under Discussion
To start Programmes like B.Sc. Big Data Analysis, Visual Communication, etc	Under Discussion
To upgrade the Departments of Tamil, Arabic, Economics and Nutrition and Dietetics as Research Departments	Under Discussion
To start a College for Physical Education to offer B.P.Ed. Programme	Under Discussion
To start a College of Education to offer B.Ed. Programme	Under Discussion
To construct an Administrative Block, Quarters for Principal and Faculty.	The Administrative Block is under Construction
To tie-up with British Council and Leading Premier Institutions	Under Discussion
To establish an Instrumentation Centre	Under Discussion
13. Was the AQAR placed before the statutory body?	Yes

- Name of the statutory body

Name of the statutory body	Date of meeting(s)
Steering Committee Meeting	26/05/2023

14. Was the institutional data submitted to AISHE ?

Yes

- Year

Year	Date of Submission
2022-2023	19/03/2024

15. Multidisciplinary / interdisciplinary

In the era of arduous competitions for recruitment, Our College offers Advanced Career-oriented Programmes coaching to ambitious students to succeed in their careers. The Courses like CA, CMA and CS will benefit students to reach new heights academically and to lead a prosperous life. A student who joins for an UG programme in our College has the opportunity to pursue Career-oriented Courses. The Institution offers 18 Career oriented Courses and 1 Diploma Course. The Department of English is offering CALL Courses for the Non-major Students. The Courses have been designed to help students across the disciplines to enrich their integrated skills such as Listening, Speaking, Reading and Writing. The Courses create a multifaceted environment as they help in relating academics to the practical needs of the outside world. Optional Courses are designed to be offered in the 5th and 6th Semesters to ensure academic flexibility. Instead of adopting a fixed structure for the syllabi, our College provides a flexible Curriculum fulfilling the desire of the students. National Programme on Technology Enhanced Learning (NPTEL) is a digital platform launched by the Ministry of Education, Government of India to promote digital learning with a motto 'Assess, Equity and Quality'. Our College tied up with IIT Chennai to offer SWAYAM-NPTEL Online Certification Courses for Faculty and Students. The IIT Chennai recognized the College as 'The Local Chapter' and an Eight-Week, Two-Credit Online Certification Course is mandated for the 2019-2022 and 2020-2023 batches of UG students and for all the batches of PG students. SWAYAM-NPTEL Online Certification Courses are made optional for the UG students since

2021. It has also been included in the Curriculum as a Skill Enhancement Course to offer by the Departments. The College has been recognized as "The Best Local Chapter" with a rating of 'A' and ranked 6th at the National Level during the academic year 2020-21. Owing to their Stellar Performances, 13 of our NPTEL Mentors have been recognized as "Nationalized Mentors". 1901 Students and Faculty have cleared NPTEL Certification Courses in two years. Among them 84 students have received the Silver Medal Certification and 4 have received Gold Medal Certification. Type Writing Course is offered in collaboration with the Department of Technical Education (DOTE). The Department of Commerce takes care of the smooth conduct of the classes. Promoting the Employability skills among the students, the College offers Embroidery and Handicraft Courses. Sadakath: A Multidisciplinary Research Bulletin, indexed in Google Scholar, is a Peer-Reviewed Journal which provides platform for the Scholars and Faculty of various Institutions across various disciplines to publish quality and original Research Articles. Deeniyath/Moral Classes are conducted every Wednesday to inculcate moral and ethical values. Environmental Studies is included in the Curriculum to develop an attitude of concern towards the Environment. The Centre for Digital Learning Centre promotes distant/self-directed learning across the multidisciplinary fields. The Centre for Digital Learning Centre in collaboration with the IQAC of our College has conducted Faculty Development Programmes on e-Content Development and Pedagogy to be adopted in ICT-enabled classrooms.

16.Academic bank of credits (ABC):

Our College offers Undergraduate and Postgraduate Programmes under Choice-Based Credit System since 2008. It provides an opportunity for the students to choose from the prescribed Courses comprising Discipline Specific Core Courses, Discipline Specific Electives, Allied Courses, Skill Enhancement Courses, Skill-Based Common Courses, Non- Major Electives, Ability Enhancement Compulsory Courses, Environmental Studies and Value Education I and II. In the Part-V Programmes, one Credit each is given based on the performance of the students in the NCC, NSS, YRC, RRC, Youth Welfare, Physical Education and Yoga. An Extra Credit is awarded for the students who are the volunteers of Sadakath Outreach Programme. Two Credits are awarded to the students who undertake Fieldwork/Internship. The goal of Memorandum of Understanding is to collaborate with the neighbouring Colleges for the exchange of faculty and students to share facilities, information and resources, utilize expertise for teaching-learning activities. It also paves way to jointly organize Seminars/Workshops/Conferences on topics of mutual interest, thereby inviting Faculty and Students for participation. Exchange of

Students will be selected by the mutual agreement between the Home Institution and the Host Institution. The Departments have signed MoUs with other Institutions and Organizations for Exchange of Faculty, Students, Ideas and Resources. Credits are distributed according to the weightage of the Courses offered in the Curriculum. As per the guidelines of the UGC, all the UG and PG students shall enroll for MOOC offered through SWAYAM-NPTEL. Two Credits are awarded on the completion of the Online Courses. The impact of ICT modernizes the teaching and learning process. The learning objectives could not be fully achieved through the traditional method of teaching in the wake of educational technology and modern pedagogy. Faculties are encouraged to develop and share e-Content and e-Resources using Learning Management Systems, Open Broadcasting Software, Mind Mapping and Video Editing Tools. Teaching and Learning through technology enhances attention and learning abilities of the students. The College has set up the Centre for Digital Learning to integrate the Online Courses offered by IIT Chennai, IIT Bombay Spoken Tutorials and the Skill Development Programmes and Faculty Enhancement conducted by ICT Academy. e-Studio comprises a Media Centre, an Audio-Visual Centre, a Lecture Capturing System, a Mixing Equipment and a Software. It enables the Faculty to prepare e-Content. It avoids rote memory through content delivery by facilitators. The Faculty from the Department of English published a Workbook focusing on framing Yes(or)No/Alternative/WH/Tag questions which was prepared from out of the UGC Funds sanctioned under the 11th Plan to teach the Course "A Practical Course in Spoken English." Lamp of India, a collection of one-act plays written by our former Faculty of the Department of English, Dr.Y.Syed Mohamed is prescribed in the Course, One-Act Plays and Writing Skills. Current English Usage and Theory and Practice of Translation are the books authored by Dr.K.Hema. Different Pedagogical approaches such as Participative Learning and Experiential Learning are encouraged through the conduct of Quiz Programmes, Seminar Presentations, Readers' Forum, Models Making, Debates, Group Discussions, Field Visits, Fieldworks, Projects and Internships.

17.Skill development:

The Department of English is offering the Courses 'Procedures of Translating' and 'Techniques of Translation' as Skill Enhancement Courses in the 5th and 6th Semesters. The Students will develop the caliber in categorizing various fields of translation and get equipped with the required dexterity to perform as Professional Translators. Upon completion of this Course, the students will identify the nuances of the Source Language Text and develop their

skills in translating it into the Target Language. Career Oriented Courses such as A Basic Course in English Grammar, A Course in Corporate Communication and A Practical Course in Business English are designed to help the learners develop the English Language Skills to communicate confidently in the International Workspace. Computer-Assisted Language Learning is offered as a Major and Non-Major Elective Courses by the Department of English. The Students will acquire Listening, Speaking, Reading and Writing Skills. They could learn the speech sounds in English and gain proficiency to speak in approximation to the RP accent. The Learners across the majors acquire skills in articulating ideas, initiating debates and discussions and learning conversational patterns. New Courses are designed focusing on Employability/Entrepreneurship/Skill Development/Gender Equity/Environment Sustainability/Professional Ethics. Such Courses are discussed at the Boards of Studies/Academic Council/IQAC Steering Committee and are presented for approval at the Governing Board. Value Education Courses are offered to inculcate moral values and positivity in the learners. It transforms the students as responsible, productive, active, enlightened and useful citizens with a global perspective. Deeniyath/Moral Classes are conducted every Wednesday to promote humanistic, ethical, constitutional and human values. A Course on 'Biographies' is offered to the learners to make them aware of Great and Influential Personalities of the World who excelled in various fields and stood for their righteous conduct, truth, peace, non-violence, scientific temper etc. By identifying the strengths and weaknesses of the personalities and analyzing their success, the students could understand their life experiences and adopt their life styles. Programmes such as Independence Day Celebrations, Republic Day Celebrations, Voter Awareness Rally, Mock Parliament/Assembly etc make the students realize their citizenship values. The Department of History offers Courses such as Constitutional Rights and Human Rights that help students develop knowledge on the rights enshrined in the Constitution for common citizens of the Nation. The Course Women Studies emphasizes on the importance of Women Empowerment and addresses the Gender Issues from the perspective of Women. The Department of Nutrition and Dietetics offers Courses such as Advanced Baking and Family Resource Management which formulate the students in developing their culinary skills like preparing cakes, biscuits, cookies, bread making and icings. It demonstrates the different styles of flower arrangement and the uses of accessories in interior decorations.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Tamil is the mother tongue of the Tamil Population in the Southern part of India and is spoken by 66 million people across countries. It is recognized as a Classical Language as it meets three criteria such as 'Ancient Origins', 'Independent Tradition' and 'Possession of considerable Ancient Literature'. Tamil Writers have contributed significantly to the development of the Tamil Language and Literature. The College offers B.A. Tamil and Part-I Tamil Course. The Course SangaTamil teaches the three thousand-year-old Tamil Culture and Heritage and the richness of the Language. The students understand the significance of socio-cultural, political and economic issues dealt with in Modern Fiction and Poetry through the Course IkkalaTamil. The Course SamayaTamil teaches lofty virtues such as temperance, religious harmony, humanism, spiritualism and the lives of prophets and sages. PayanpaattuTamil highlights the careers in Multimedia. KaniniTamil provides to learn the Language with the assistance of computers. The Department has tied-up with Tamil Heritage Foundation, Germany, to promote Tamil Culture and Research. Two International Seminars were organized on the Documentation of Tamil Culture and Archeological Survey of Aathichanallur. SangaTamizh, NattuPuraviyal, Tamizhaga Varalaru, Bakthi Ilakiyam and Ara Ilakiyam acquaint the students with the Biography, Education, Administrative Systems, War Techniques, Fame and Philanthropy of Tamil Kings. The Ancient Tamil people's living condition, food habits, rituals, prayer methods and celebrations will be taught through the Courses. The Patriotic fervor of Tamil Kings is also taught. The Courses make the students aware of the advancement in the field of Education and Agriculture for leading an emancipated life. These Courses equip the learners with knowledge and hone the necessary skills to crack Competitive Examinations. Courses on 'Indian History and Culture' offered by the Department of History enable the students to comprehend syncretism and the multicultural formations of Indian Culture and Polity. The Course Modern Constitution and Modern Government provides an idea on the functioning of Executive, Legislative and Judicial Bodies. It familiarizes students with the salient features and conventions of Indian Constitution, creating awareness on the rights and duties of the Common Citizens. The contributions made by the Stalwarts, Architects and the Policymakers will be realized. Field Visits to Archaeological sites such as Aathichanallur and Keezhadi help explore the importance of Indian Archaeology in exhibiting the cultural significance. Part II English Courses are taught to the Non-Major Students using Bilingual Method (English and Tamil). The Learners will acquire Interactional expressions and Transactional Language. The Course 'Indian Writing in English' enthralls the global audience to learn about Indian Culture and Tradition. Exclusive slots are allocated for Courses focusing on

Indian Culture/History in the curriculum framed. The Courses nurture the students to understand the Socio-political and Economic Conditions existed in India. Doctoral Research is done in the field of Translation. Translating classical texts from the Indian Language to English contributes to the transmission of knowledge, preservation of cultural heritage and building of bridges between the two cultures. Scholars focus on Linguistic/Cultural/Regional characteristics that are relevant to society to throw lights on the customs of India.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

Autonomous Status was conferred upon the College in 2007. To make the best use of Autonomy, innovations were attempted in framing the syllabi by the respective Boards of Studies. Choice Based Credit System (CBCS) was adopted in the year 2008 for the Undergraduate and Postgraduate Programmes. While the curriculum was revamped in 2011 and 2015, CBCS was in place. CBCS provided an opportunity to offer Electives and Skill-based Courses along with the Core Courses focusing on obtaining domain knowledge and skill enhancement. Though the syllabi were framed based on Choice- Based Credit System, there were certain disadvantages and limitations. Also, the educational objectives and the outcomes could not be defined under CBCS. Hence, it necessitated to introduce Outcome-Based Education in the 2018-2021 syllabi designed as it provide scope to define the educational objectives and the intended outcomes for each Course incorporated in the syllabi. To meet the growing needs of the new generation of learners in the wake of need-based education and educational technology, the Ministry of Education insisted on adopting Outcome-Based Education in line with Learning Outcome-based Curriculum Framework (LOCF) focusing on Graduate Attributes to produce industryfit/ institution-ready graduates. The College framed Learning Outcomes for the UG and PG Programmes aligned with the Graduate Attributes when the syllabi were revised in 2021. The Learning Outcomes are framed to obtain Disciplinary Knowledge, Communication Skills/Digital Literacy/Self-directed Learning/Lifelong Learning, Critical Thinking/Analytical Reasoning/Problem Solving Skills, Moral and Ethical Values, Multicultural Competence, Collaborative and Employability Skills/Research Innovation and Entrepreneurship, to develop Environmental Consciousness for preserving the Ecosystem for its sustenance and to build Team Work. Programme Learning Outcomes for Arts and Science Streams are determined by the respective Boards of Studies to achieve the Programme Specific Outcomes and the Course Outcomes desired. Measurable and attainable Course Outcomes for Core Courses, Skill-Enhancement Courses, Discipline Specific Electives

and Non-Major Electives are framed to achieve the expected outcomes through the delivery of such Courses. The Course Outcomes are matched with the Programme Specific Outcomes addressed and the Cognitive Level (Remembering, Understanding, Applying, Analyzing, Evaluating and Creating) expected to be attained by the Students. The Course Outcomes ensure the attainment of Programme Learning Outcomes and Programme Specific Outcomes designed by each Department so as to meet the educational objectives. Relationship Matrix is handy to measure the attainment of Course Outcomes as against the Programme Learning Outcomes and Programme Specific Outcomes based on the number of matches arrived at. The attainment of Course Outcomes is categorized as Low (if the number of matches is less than 25), Medium (If the number of matches is between 25 and 33) and High (If the number of matches is more than 33). Through the implementation of LOCF in the Curriculum, the Institution could meet its Learning Outcomes by ensuring that the learners could not only gain knowledge in their respective domains/areas but also could apply the knowledge gained and the skills developed to place themselves as skilled professionals.

20.Distance education/online education:

Classes are conducted online, through G-Meet, Zoom and MS-Teams during the COVID-19 pandemic. Subject materials and assignments are posted on Google Classrooms. The Four Quadrant techniques were adopted to handle online classes effectively. During the Odd-semester of the academic year 2020-2021, online classes were conducted for all the students. During the Even-semester, online classes were conducted for the first and second year UG students and for the first year PG students. The third year UG students and the second year PG students had blended classes. Demonstration-videos were shown during online classes by the Science Departments. The Department of Chemistry has an LMS called Canvas Instructure for online teaching, monitoring, discussion, sharing of study materials, entry of marks and conduct of exams. The answers for MCQs are valued and are graded automatically by the software. Semester Examinations were also conducted online. Question papers were uploaded on the College Website by the Office of the Controller of the Examinations. Students wrote their answers on A4 sheets, took images of them and uploaded the same as PDF for evaluation. For the practical examinations, students uploaded the sessions as videos for assessment. To enhance the ICT-enabled teaching and learning, the IQAC organized a oneweek FDP on e-Content Development for Modern Era Teaching and Learning from 19.07.2020 to 25.07.2020. The FDP familiarised the faculty with the use of ICT Tools that help in conducting the online classes effortlessly. A Seven-Day Workshop on

"e-Content Development using Pedagogical Tools for Online Teaching" was conducted by the Centre for Digital Learning and the IQAC to train the faculty in e-content development using OBS, Mind Master, Google Classrooms, Canvas, Google Forms, YNAW, etc. They were also trained in generating e- Certificates in Desktop and Android platforms. Realizing the importance of National Programme on Technology Enhanced Learning (NPTEL), the College tied-up with IIT Chennai to offer SWAYAMNPTEL Online Certification Courses for Faculty and Students to achieve the motto "Assess, Equity and Quality." The IIT Chennai recognized the College as 'The Local Chapter' and an Eight-Week, Two- Credit Online Certification Course is mandated for the 2019-2022 and 2022-2023 batches of UG students and for all the batches of PG students. SWAYAMNPTEL Online Certification Courses are made optional for the UG students since 2021. It has also been included in the Curriculum as a Skill Enhancement Course to offer by the Departments. Our College has been recognized as "The Best Local Chapter" with a rating of 'A' and ranked 6th at the National Level. Owing to their Stellar Performances, 13 of our NPTEL Mentors have been recognized as "Nationalized Mentors". 1901 Students and Faculty have cleared NPTEL Certification Courses in two years. Among them 84 students have received the Silver Medal Certification and 4 have received Gold Medal Certification. The College has set up the Centre for Digital Learning to integrate SWAYAMNPTEL Online Courses offered by IITs, FDPs/Refresher Courses by HRDCs, Spoken Tutorials by IIT Bombay and the Skill Enhancement Programmes conducted by ICT Academy, Tamil Nadu.

CURRICULAR ASPECTS

1.1 - Curriculum Design and Development

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which are reflected in Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs) of the various Programmes offered by the Institution.

The College designs the curriculum in a mix of basic, Intermediate and advanced topics/areas fulfilling the recommendations/guidelines made by UGC, TANSICHE and MS University to ensure academic flexibility and strengthen linkages. With incorporation of field-works and internships at UG and PG levels the curriculum gets enriched with novel ideas. It helps the institution to emerge as premier higher education Annual Quality Assurance Report of SADAKATHULLAH APPA COLLEGE centre by empowering learners to acquire domain knowledge, subject skills

and values. The curriculum gets revamped once in three years to incorporate changes that meet the demands of academia, industry and society. OBE appraises teaching-learning process by drafting continuous internal assessment for POs, Cos and PSOs. Courses focusing on Skill Development, Entrepreneurship, Employability, Quality Research, Innovations, Developing Multicultural Competencies and cross-cutting issues are also offered. After framing the syllabi a pre-Board of Studies meets for discussion and approval. The curriculum is placed for approval at the Academic Council. Feedback on Curriculum is obtained from Faculty, Academic Peers, Industrialist and Alumni. A relationship matrix with a mapping of COs, POs and PSOs is created to meet all the POs. The accommodation of Language, Major, Allied, SBES, DSES, NMES, Online Courses and Industry Related Courses in all the Programmes is accomplished under the CBCS.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates cross-cutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability, and Human Values into the curriculum

As an autonomous institution, the college offered courses relevant

to Gender sensitivity, Professional ethics, Human Values and Environment Conservation. Common courses, Environmental Studies and Value Education-I&II, Deeniyath and Moral classes introduced at Institutional level deal with crosscutting issues. SOP under Part-V helps disadvantaged people in the society to know about livelihood and addressing their issues. The Courses focus on gender sensitivity, human values and environment conservation have been offered by all Arts, Science and Commerce streams. The Departments of English, Tamil, Arabic, History, Zoology, Chemistry, Botany, Commerce, Computer Science, Mathematics, IT and Library Information Science offer three, two, two, three, four, five, seven, six, five, seventy two and three such courses respectively. Human values are inculcated through extension activities for the completion of UG Programmes by carrying out NSS and YRC to sensitize to social and environmental challenges. Courses on Professional Ethics focus on the duties, obligation and virtues. The college offers Personality Development course for UG students. The Departments are given autonomy to identify the issues relevant to them and to have a bearing on gender, sustainable environment, human rights and civic responsibilities.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses students' learning levels and organises special programmes for both slow and advanced learners.

The institution assesses students' learning levels and organises special programmes for both slow and advanced learners. The college organizes Students' Induction Programme to the freshers for explaining roadmap, introducing facilities, rules, regulations and codes of conduct. The PLOs, PSOs and COs are discussed. In Peer group learning, Peers reach out to others to help slow learners. Slow learners are given coaching through Remedial classes to acquire communication skills. They receive Spoken tutorials by IIT Bombay. The Department of English conducts Remedial classes thrice-a-week for the students who scored below 60% in English in HSC. 20 students are assigned as mentees to each faculty for mentoring. The Details are recorded in Student Tutorial and Mentoring Record. The College received funds from UGC for Remedial coaching. A Practical Course in Spoken English is offered for the UG students to enhance conversation in English. Being the Local Chapter, Slow learners enroll for SWAYAM NPTEL courses and Advanced learners take examinations and 750 students get certified by the IITs. Slow learners do group projects and

advanced learners do individual projects. Designed curriculum helps advanced learners to attend Workshops and Internships and to publish research articles in Sadakath Research Bulletin. Bloom's Taxonomy is used to teach students with mixed ability conduct, internal assessments and semester examinations.

2.3 - Teaching- Learning Process

2.3.1 - Student-centric methods such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences:

Student-centric methods such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences: Student centric learning is promoted through Group Discussions Quizzes, Projects, Readers' Forum, presentations, hands-on workshops, attending seminars and conferences. Our students participated in National and International level competitions. The faculty use different teaching methods and strategies. The conventional, interactive, collaborative, ICT enabled methods of teaching, blended learning, experiential learning, participative learning are used to enhance learning experiences of the students. The faculty members share e-contents/e-resources through Google classrooms, e-mail and WhatsApp. The faculty use flipped classrooms. Blended learning is also achieved through various methods. Seminars and webinars are conducted by various departments via online platforms. The IQAC organized webinars, sensation programmes and a Faculty Development Programme for the betterment of teaching and non-teaching faculty. Students are invigorated to do Projects and go for Field trip and

Industrial visit. To encourage women folk, craftwork and hands-on training are conducted. Being a Local chapter of SWAYAM, 264 students received certificates for Swayam Courses. Typewriting classes are conducted. Centre for Digital Learning sets up to integrate with IIT Bombay. Skill-Enhancement programmes are conducted by ICT Academy. Readers' Forum helps students reviewing books. Collection of poems by the Students' Council are also published

2.3.2 - Teachers use ICT-enabled tools including online resources for effective teaching and learning

The teaching-learning activity at the Institution is supplemented with modern Information and Communication Technology (ICT) tools. PowerPoint presentations are used regularly in the classes. Classes were conducted online, through Google Meet, Zoom and Microsoft Teams during the COVID-19 pandemic. Subject materials and assignments are posted on Google Classrooms. Semester Examinations, both theory and practical, were conducted online during pandemic. The Department of Chemistry has an Learning Management System, called Canvas In structure. Through this LMS, online teaching, monitoring, discussion, sharing of study materials, entry of marks and conduct of exams are done. The College houses an Audio-Visual Hall, equipped with a television set, an LCD Projector and a Motorized Screen. The Department of English offers courses titled Computer Assisted Language and Learning: Listening and Speaking and Computer-Assisted Language and Learning: Reading and Writing. They are also offered to the students of other majors as Non Major Electives (NME). A Language Laboratory equipped with 71 systems with Local Area Network (LAN) and a Smart Board is being used for the course. There are 57 LCD Projectors and 5 Smart classrooms. All the Departments have Wi-Fi connections. Totally there are 32 Wi-Fi connections with a speed of 100 mbps.

2.3.4 - Preparation and adherence to Academic Calendar and Teaching Plans by the institution

The Academic Calendar, prepared annually by the Calendar Committee, outlines essential dates for the academic year, including semester start and end dates, schedules for Continuous Internal Assessments (CIAs), External Examinations, Seminars/Conferences, Academic Audits, holidays, institutional events, and meetings of governing bodies like the Governing Board, Boards of Studies, and Academic Council. It also designates Days of National Importance and National Festivals, serving as a reference for students, faculty, parents, staff, and stakeholders.

The Calendar Committee ensures strict adherence to this calendar, with the College Examination Cell following suit. Faculty members develop their teaching plans in line with the Handbook, which are reviewed by respective Heads of Departments (HODs). Lesson plans undergo internal audits by the Internal Quality Assurance Cell (IQAC) and external evaluations by the ISO. Remedial measures are identified in exit meetings to enhance future performance.

Students receive notebooks featuring the Academic Calendar. Any unforeseen events may lead to alterations in the calendar, which are communicated to faculty and students.

At the academic year's end, the Calendar Committee reviews the past year's calendar, highlighting achieved goals and outcomes. The institution diligently adheres to the calendar. During class cancellations, students are engaged with video clips in their respective departments, the auditorium, or the library. A weekly report on class arrangements and cancellations is submitted to the Principal and the Secretary every Tuesday.

2.5.3 - IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in the Examination Management System (EMS) of the Institution

Examination reforms in our institution, based on recommendations from UGC, IQAC, and various committees, have significantly enhanced the Examination Management System (EMS).

Exam procedures and processes have evolved:

- Unified question paper formats for UG and PG programs.

- Rigorous scrutiny of question papers by subject experts from reputable institutions.
- Faculty-generated question bank based on Bloom's Taxonomy.
- Introduction of a 40-page answer script booklet.

IT integration has played a pivotal role:

- An online portal facilitates online registration, fee payment, hall ticket downloads, and access to exam schedules, CIA test scores, and attendance records.
- Semester exam results are accessible via the college website.
- A new indigenous COE office software was acquired in May 2023.

Additional reforms encompass:

- Centralized internal and external exams for add-on courses.
- Practical exams for UG and PG science programs in both odd and even semesters.
- Online entry of CIA marks by faculty.
- Centralized Ph.D. coursework exams.
- Issuance of certificates for add-on courses.
- Special exams for NCC and sports program participants.
- On-demand access to answer scripts.
- Enhanced security features in mark statements.
- Implementation of reforms like OMR sheets, Outcome Based Education (OBE), Academic Bank of Credits (ABC), and registration with the National Academic Depository (NAD) (NAD ID: NAD052112, Registered on: 16/03/2023).

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme Outcomes and Course Outcomes for all Programmes offered by the institution are stated and displayed on the website and communicated to teachers and students

The purpose of the POs, PSOs, and COs is to inform students of the curriculum's intended learning objectives and results. Students who complete a B.A. in history have an understanding of archaeology, epigraphy, historiography, museology, museum studies, archives keeping, and tourism. After completing their B.A. in Economics, students will be able to comprehend the fundamental ideas of economics, banking, budgeting, finance, the global economy, and the causes and effects of unemployment, inflation, and economic growth in order to improve the economic status of their country. Tamil/Arabic and English are the languages that are taught as Part I and Part II, respectively. The COs are structured to aid learners in overcoming obstacles. The courses are available to take in order to sit for competitive exams like NET and SET. The curricula are created at an advanced level keeping in mind to aid them in their academic endeavours. Students who take the Eco Literature course get an understanding of people, society, technology, and the environment. Students could develop their skills as managers and business people through the courses given by the Department of Commerce and Business Administration. The curricula are developed to accommodate the expanding thirst for students need. Students participate in interactive and experiential education in the classroom, internships, and the workplace visits, informative excursions, quizzes, and tournaments for orators.

2.6.2 - Attainment of Programme Outcomes and Course Outcomes as evaluated by the institution

Autonomous Status was conferred upon the College in 2007. Boards of Studies attempt to frame innovative syllabi. CBCS adopted in 2008 provides an opportunity to offer Elective and Skill-based courses. In 2018-2021, syllabi was designed to incorporate educational objectives and course outcomes according to LOCF and OBE under CBCS. The Methods of attaining the POs, PSOs and COs include the following: The question papers and question banks for Internal Assessment and Semester examinations are framed by applying Bloom's Taxonomy Students' progress in performance in the subsequent semesters is assessed and accounted for; The purchase of the OBE Software to measure the attainment of COs by validating the knowledge and the skills; Relationship matrix to measure the attainment of Cos and SPOs. The attainment of COs is categorized as Low (matches-less than 25), Medium (matches between 25 and 33) and High (matches-more than 33). PSOs and POs are validated by subject experts. Adopting Direct method is proposed. Feedback is obtained from students, employers, alumni and parents for evaluation under Indirect method. UG and PG students have completed three semesters under OBE so the evaluation of COs, POs and PSOs will be done after completion.

RESEARCH, INNOVATIONS AND EXTENSION

3.1 - Promotion of Research and Facilities

3.1.1 - The institution's research facilities are frequently updated and there is a well-defined policy for promotion of research which is uploaded on the institutional website and implemented

A newly-built Research Wing caters to the Research needs of the Institution. The College has a policy for Promotion of Research. The Research Promotion Committee comprises the Principal, the Vice-Principal, the Controller of Examinations, the Deans of Arts & Sciences, the IQAC Coordinator, the Dean of Research and Development, the NIRF Coordinator and the Bursar. There are nine Research Centres belonging to the Science (6) Arts (2) and Commerce Departments (1). Fifty-three Research Supervisors are guiding 148 Full-Time and Part-Time Research Scholars. The Research Scholars are encouraged to avail of funding from Government and Non-Governmental agencies to support their Research. Research scholars received fund (Rs.1,20,000/-) from Department of Higher Education. A Junior Research Fellow recognized by UGC was upgraded to SRF in 2021. Research Centres have well-equipped Laboratories with Computers Internet facility, a DC Hall, Books on recent Theories/Principles/Concepts etc. Faculty members of the college are encouraged to carry out research. Managing Committee provided Seed Money to Minor research projects and Incentives for publishing research articles in SCOPUS. The Center for Research has conducted 5 Workshops / Seminars to know the emerging areas of Research the nuances of Research Writing and to inculcate Research Culture among the Scholars.

3.3 - Innovation Ecosystem

3.3.1 - Institution has created an ecosystem for innovations and creation and transfer of knowledge supported by dedicated centres for research, entrepreneurship, community orientation, incubation, etc.

The Institution's Innovation Council has been recognized by the Ministry of Education, Government of India. Our College's participation in the Atal Ranking of Institutions on Innovation Achievements (ARIIA) stands as a testimony towards the support we extend for Innovation and Research. The College has a dedicated Centre for Research which consists of nine Research Departments. To encourage Research culture on the campus, the College has provided a seed money of Rs. 1,75,000/- to 18 faculty members to carry out Minor Research Projects. An amount of Rs. 45,000/- has been awarded to 45 faculties for publishing their articles in reputed journals. A Mahatma Gandhi National Council of Rural Education - Rural Entrepreneurship Development-ACTION PLAN and BUSINESS PLAN WORKSHOP was conducted by the College Rural Entrepreneurship Development Cell. An Interface was organized towards the conduct of Green and Energy Audit. A Proposal was submitted and the Managing Committee approved the proposal and an amount of Rs. 50,000/- was released. The Department of Microbiology, organized a National Entrepreneur Webinar on "Energy Recovery from Waste through Anaerobic Digestion". The Institution Innovation Council of our College in collaboration with the Department of Nutrition & Dietetics organized a Guest Lecture on "Mentoring Session with Successful Start-Up Founder (Entrepreneur)". Each department is encouraged to conduct State/National/International Seminars and Conferences.

3.6 - Extension Activities

3.6.1 - Extension activities carried out in the neighbourhood sensitising students to social issues for their holistic development, and the impact thereof during the year

The extension activities of our college have been instrumental in spearheading a multitude of community-centric initiatives. The part V offices worked tirelessly to instigate positive transformations in our surrounding areas. Throughout the academic year, the Sadakath Outreach Programme (SOP) conducted numerous extension and outreach programmes through the NSS, NCC, Red Cross, and YRC. These endeavours were not only conducted within the college premises but also reached out to the local community, industries, and NGOs, forging meaningful partnerships to address societal challenges. The activities commenced with educational initiatives such as 'Talent Search Exam Awareness and Communication Skills Training' benefiting students in adopted villages, 'Dengue Awareness Rallies, and Free Medical Camps,' reaching out to hundreds of villagers. Environmental consciousness was promoted through activities like 'Sapling Plantations, Rainwater Harvesting Awareness, Plastic Awareness Rallies, and Azola Cultivation Training.' The commitment and dedication displayed by the student body in these activities showcase a collective effort towards community welfare, echoing the College's ethos of social responsibility and active citizenry. A total of 95 programmes have been organised on behalf of the Part V Programmes during the year 2022-23.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching-learning, viz., classrooms, laboratories, computing equipments, etc.

Sadakathullah Appa College (Autonomous), which excels in the academics has the infrastructure as it's great support to enhance the teaching- learning activity. The classrooms available are adequate in number, well-furnished and sufficient enough to accommodate the students. The classrooms are well-maintained and equipped with modern teaching aids like Projectors and audio-visual aids. There are 05 Smart Classrooms to facilitate ICT based teaching-learning. The departments are provided with computers and printers with wi-fi facilities. The institution has well equipped laboratories for the science disciplines like Physics, Chemistry, Zoology, computer science, Microbiology and Nutrition and deictics which has enough number of laboratory equipment to carry out the experiments in person. Molecular Modeling and Drug Design, Sericulture and Water and Soil Analysis are some of the well-equipped laboratories. There are 3 Computer Laboratories

altogether. The Computer Science Laboratories are furnished with 340 computers with latest configurations with the intranet and internet facilities. The Audio-Visual Hall comprises of LCD projector, a motorized screen, a television, a DVD player, speakers. Apart from the science stream the arts students are also exposed to well-equipped language laboratories with adequate number of computers enabled with the updated Clarity SNet software to enhance the Listening, Speaking, Reading and Writing Skills of the students.

4.1.2 - The institution has adequate facilities for cultural activities, yoga, sports and games (indoor and outdoor) including gymnasium, yoga centre, auditorium etc.)

The College offers sufficient sports facilities to support the sports personnels. To enhance the interest of the students in sports the college provides both indoor and outdoor sports facilities. The Sports Ground encompasses Cricket Field/Football Field (56925 Sq. Ft), and Standard Athletic Track and Field (236806 Sq. Ft) with eight lanes. The Hockey Field (88802.26Sq. Ft), Lawn Tennis court 14735.79 Sq. Ft, Outdoor Volleyball Court (Boys) (5050Sq. Ft), Outdoor Volleyball Court (Girls) (5050Sq. Ft), Basket Ball Court (9120Sq.Ft), Kho-Kho (8611.13 Sq. Ft) are the excellent sports facilities available in the Institution. The Indoor Stadium (9600 Sq. Ft) serves as multiple purpose court such as Badminton, Ball Badminton, Table Tennis, Volleyball, Handball, Kabbadi and Basketball Courts, Carrom, Chess. The institution possesses a well-resourced yoga center with qualified trainers. The gymnasium is equipped with modern fitness equipment which promote the physical well-being of the students with the help of the trainers. The institution has a spacious auditorium fully air-conditioned, which can accommodate around 1000 students. It has the facility of the LCD projectors which severs as the venue for various events organizedbythecollege. The open quadrangle stage serves as the place for various cultural programs organized by the institution.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

As a knowledge resource centre, the Sadakathullah Appa College Library primarily serves the information needs of the faculty, research scholars, and students. The Library has been in service since it opened in 1971. AutoLib is a popular Library Management Software which assists faculty and students in the regular use of the Library. The Library, with AUTOLIB software (ILMS), version MS - SQL 6.0, consists of over 50,414 books in print, 50 magazines, and 10 newspapers. In 2022 - 2023, Rupees 1,88,005 is spent on

library e - databases. The Library has purchased four databases namely INFLIBNET - NLIST, DELNET, WORLD E- BOOK LIBRARY, and PROQUEST. A new software with additional features has been incorporated into the previous AutoLib software. The facilities include Database Creation and Maintenance, Counter Transactions, Advanced Search Module, Report Management (MIS Reports), Online Stock Verification, Journal Issues Management, Article Indexing and Abstracting, Query Builder cum Report Generator, User Request Service, Online User E- Gate Register in Library, Binding Management, Data Import, Search (OPAC) - Simple Search Module and so on. The Library is equipped with all modern facilities on par with International standards. It is providing a happy, user friendly atmosphere for learning and distribution of knowledge and information.

4.3 - IT Infrastructure

4.3.1 - Institution has an IT policy covering Wi-Fi, cyber security, etc. and has allocated budget for updating its IT facilities

The Institution complies with its standards and updates the IT infrastructure on a regular basis. The college has Wi-Fi facilities available in many areas, including the Principal's Room, Office, Vice - Principal's Room, Auditorium, Seminar Hall, Library, Committee Office, Dean Office, Book Depot, Research Centers, Computer Labs and all the departments. There are 432 computers and 5 computer labs at the institution. In addition to that, there are 32 high-speed FTTH internet connections with Wi-Fi available, as well as one browsing centre. The College has licensed Office Windows 10 software, 100 nos., 42 K7 antivirus software, and CLARITY S Net 1 no. There is a separate software called Easy 5.0. to help students with Admission and Fees Payment process. Five Smart Boards and 57 LCD projectors are present. The DC Meeting Hall, Auditorium, e-Conference Hall, and Seminar Halls have video conferencing capabilities. A budget of Rs. 79, 04, 150 has been allocated by the institution to update its IT infrastructure. Good maintenance practises have been followed in keeping track of the IT infrastructure.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of an effective leadership in tune with the vision and mission of the Institution

Sadakathullah Appa College, founded by the Muslim Minority Community, is named after the Arabic Scholar, Sadakathullah Appa in 1971. The Vision of the College is to provide quality higher education to all sections of the society. The Mission of the College is to offer Undergraduate and Postgraduate courses in Humanities, Arts and Sciences, to undertake, initiate and promote

research both pure and applied at M.Phil\Ph.D levels and to offer extension services. After the Third Cycle of NAAC Accreditation, the College has introduced 16 new programmes. There are 9 Research Centres with 53 Research Guides. 148 scholars have registered for Doctoral Research. Out of the 172 faculty members, 89 faculty members have obtained Ph.D degrees. Under Sadakath Outreach Programme, 5 villages have been adopted. Sadakathullah Appa College is committed to produce law-abiding and productive citizens befitting this nation. The College is run by the Sadakathullah Appa Educational Society. The Managing Committee comprises President, Secretary, Treasurer, Members and 54 Patrons. The Vision and Mission of the Institution are realized through the 57 Committees, Boards and Cells formed. The Alumni Association contributes Rs.15 lakh for the construction of the Golden Jubilee Arch

6.1.2 - Effective leadership is reflected in various institutional practices such as decentralization and participative management

Sadakathullah Appa College, an Autonomous Institution, abounds with activities. The organogram of the Management helps the Institution function smoothly. The Academic Calendar is prepared by an exclusive team of faculty. The 57 Committees make sure that every department functions without the hurdle of red tapism. The 57 committees that function at the behest of the Principal make sure that the needs of the Institution across the board are fulfilled. There are 6 Deans at the college to look into various academic activities on the campus. The IQAC Steering Committee is one of the academic advisory bodies. The Examination Committee serves the Institution untiringly. The office of the Controller of Examinations conducts internal, external and practical examinations every semester. It conducts speed tests for the final year students with arrears. The Governing Board meets twice a year to discuss and approve the resolutions of the CDC, BOS and Academic Council. The Managing Committee graces the Annual Alumni Get-Together and Parent Teachers Association meetings with their presence. The Managing Committee contributes generously for the welfare of the Institution through the 105 Endowments. Endowment

Scholarships are distributed to meritorious students every year.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ Perspective plan has been clearly articulated and implemented

A variety of quality assurance processes are institutionalized strategically to enhance the teacher quality, curriculum delivery and research. The academic calendar is uploaded on our college website. FDPs are conducted by the IQAC. The Students' Induction Programme helps the freshers. Students' Council functions under the guidance of Principal, Vice-Principal, Administrative Heads and HoDs. Office-bearers and representatives of Students' Council are elected through e voting. Board of Studies meetings are conducted for revamping the syllabi. Academic council approves the curriculum designed by BoS. The Governing Board meets twice a year and gives final approval for academic activities. Career-Oriented Courses are provided to the students. CBCS facilitates Skill-Enhancement courses. Admission process is done online. Library is fully automated with AutoLib Software and N-List. Academic Audit is done every year. Planning and Evaluation Committee plans and executes academic activities. Digital Learning Centre helps students to take up MOOC courses. Mentor-Mentee Scheme offers guidance to the mentees. The automation of the examination system simplifies hall allotment, seating, downloading hall tickets and publishing results online. Earn while you learn, Students' Self-Help, Students' Help in First Aid schemes support students' initiatives. 'Manitham' helps homeless people. The Centres for Research inculcate the urge for research among faculty and research scholars.

6.2.2 - The functioning of the various institutional bodies is effective and efficient as visible from the policies, administrative set-up, appointment and service rules, procedures, etc.

The College has a well-defined organizational structure for governance. It is run by the Sadakathullah Appa Educational Society. The Managing Committee contributes to the development of the institution. The Governing Board monitors and ensures the functioning of the institution. The draft proposals are presented in the Governing Board for discussion and approval. Boards of Studies frame the CBCS syllabi focusing on COs and Graduate Attributes. It reviews and updates the syllabi every three years. The Academic Council meets twice a year and provides examination pattern and final approval of syllabi based on the recommendations by the BoS. Principal is the managerial and academic head of the institution assisted by Vice-Principal and other administrative heads. Vice-Principal looks after academic matters of Unaided Programmes. The Deans of Arts and Sciences design the course structure and coordinate meetings of BoS and CDC. The office of CoE designs the evaluation system, conducts CIA tests, Semester Examinations and publishes results. The Heads of the Departments support to execute academic activities and departmental activities. IQAC focuses on overall quality enhancement and innovative practices in the institution. The Finance Committee formulates the annual budget for allocating funds. SOPs are formulated for various academic and administrative activities.

7.1.3 - Describe the facilities in the institution for the management of the following types of degradable and non-degradable waste (within a maximum of 200 words)

The Institution is committed to proper management of all types of wastes. The institution bears the environmental responsibility to preserve Ecosystem. To realize this, janitors have been employed and they work in shifts. The solid waste of every classroom, laboratory and hostel room on the campus is collected and segregated into bio and non-biodegradable waste. The degradable

waste is dumped in a pit for vermicomposting. The non biodegradable waste is either incinerated or handed over to the municipal/ corporation staff. The liquid waste and bio medical waste from the laboratories of Chemistry and Microbiology is treated through a liquid waste management system. A treatment plant has been installed with activated carbon filtration technology. The liquid waste collected through the Reverse Osmosis systems and the hostel is diverted to the nearby gardens. E-waste accumulates on the campus, is also properly managed. The parts of computers that are still in working condition are transferred to other Departments that are in need of them. Parts of the computers are used in classroom for the Conduct of Certificate Course in Hardware and Networking. The usage of radioactive materials in the practical classes is 1 avoided to keep up with the Institution's interest on environmental protection.

The persons belonging to the families of the renowned Freedom Fighters such as Veeravanjinathan, Veerapandiya Kattabomman, V.O. Chidambaranar and Mahakavi Bharathiyar are invited as special guests. The NSS and Youth Welfare Departments organized the National Voters' Day. Under the Swachh Bharat Abhiyan, an awareness programme was organized. The 75th Anniversary of Quit India Movement and National Unity Day was celebrated. The World Arabic Language Day was also organized. The Department of Nutrition and Dietetics conducted a Guest Lecture in association with NSS to observe the World Food Day. National De-worming Day was observed by receiving 3000 tablets from the Urban Primary Health Centre, Manakavalanpillai Nagar. A rally was flagged off by the then District Collector of Tirunelveli. The College, in association with Nehru Yuvakendra, organized Youth Parliament and Yoga Awareness Programme on International Day of Yoga. The Department of Zoology organized a rally to mark the World Cancer Day.

7.2 - Best Practices

7.2.1 - Provide the weblink on the Institutional website regarding the Best practices as per the prescribed format of NAAC

Best Practice I Students' Self Help Scheme (SSHS) & Students' Help in First Aid (SHIFA) Objectives: 'SSHS' helps the cause of supporting financially disadvantaged students. In 2022-2023, Rs.4310/- was collected. **Earn While You Learn (EWYL) Objectives:** To help meritorious and needy students earn a reasonable amount every month to meet their academic expenses. EWYL provides opportunities to students to earn while they are learning. Students are given Rs. 100/- per day. The economically backward students are benefitted. It also instils in them various traits of employment and the values of hard work. The college provides its budding entrepreneurs with necessary guidance, incubation and resources to initiate and run their ventures. In the assessment, year a sum of Rs.1,25,900/- was distributed. **Best Practice II MANITHAM Objectives:** To help the Mentally retarded; create awareness regarding the welfare of the homeless. **Context:** The College imbibes values to students. MANITHAM is established in 2016 to bridge the gap between the privileged and deprived classes. A sum of Rs. 5,000/- was collected as fund for MANITHAM from the volunteering Staff and Students.

7.3 - Institutional Distinctiveness

7.3.1 - Highlight the performance of the institution in an area distinct to its priority and thrust (within a maximum of 200 words)

The college provides quality higher education to the deprived and underprivileged sections of the society. 17 certificate courses and 2 diploma courses are offered. The College was recognised as a SWAYAM-NPTEL LocalChapter by the Ministry of Education. 1000 students have completed courses. Among the hundred, Arts and Science Colleges, our College has been ranked nationally at the Sixth Place. Students are trained to appear for the Typewriting Examination conducted by the Department of Technical Education. The scholarships are awarded to students. Earn While You Learn Scheme is introduced considering the poor economic status of students. Under SHIFA, our faculty and students to get first aid treatment. CALL Courses are offered through Language Laboratory. The SOP adopts nearby villages for their Welfare and progress. To help students with employability skills, the College runs Embroidery and Beautician courses. Our Institution has signed an MoU with IIT, Bombay to utilize the digital resources. This collaboration geared launch of Digital Learning Centre. 9 Research Centres have been established. 120 Teachers were awarded Doctoral Degrees and 158 scholars are pursuing. The college reserves 50% for women in Students' Council. Students and Alumni are given representation in the Academic Council and BoS.

Part B

CURRICULAR ASPECTS

1.1 - Curriculum Design and Development

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which are reflected in Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs) of the various Programmes offered by the Institution.

The College designs the curriculum in a mix of basic, Intermediate and advanced topics/areas fulfilling the recommendations/guidelines made by UGC, TANSICHE and MS University to ensure academic flexibility and strengthen linkages. With incorporation of field-works and internships at UG and PG levels the curriculum gets enriched with novel ideas. It helps the institution to emerge as premier higher education Annual Quality Assurance Report of SADAKATHULLAH APPA COLLEGE centre by empowering learners to acquire domain knowledge, subject skills and values. The curriculum gets revamped once in three years to incorporate changes that meet the demands of academia, industry and society. OBE appraises teaching-learning process by drafting continuous internal assessment for POs, Cos and PSOs. Courses focusing on Skill Development, Entrepreneurship, Employability, Quality Research, Innovations, Developing Multicultural Competencies and cross-cutting issues are also offered. After framing the syllabi a pre-Board of Studies meets for discussion and approval. The curriculum is placed for approval at the Academic Council. Feedback on Curriculum is obtained from Faculty, Academic Peers, Industrialist and Alumni. A relationship matrix with a mapping of COs, POs and PSOs is created to meet all the POs. The accommodation of Language, Major, Allied, SBES, DSES, NMES, Online Courses and Industry Related Courses in all the Programmes is accomplished under the CBCS.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates cross-cutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability, and Human Values into the curriculum

As an autonomous institution, the college offered courses relevant to Gender sensitivity, Professional ethics, Human Values and Environment Conservation. Common courses, Environmental Studies and Value Education-I&II, Deeniyath and Moral classes introduced at Institutional level deal with crosscutting issues. SOP under Part-V helps disadvantaged people in the society to know about livelihood and addressing their issues. The Courses focus on gender sensitivity, human values and environment conservation have been offered by all Arts, Science and Commerce streams. The Departments of English, Tamil, Arabic, History, Zoology, Chemistry, Botany, Commerce, Computer Science, Mathematics, IT and Library Information Science offer three, two, two, three, four, five, seven, six, five, seventy two and three such courses respectively. Human values are inculcated through extension activities for the completion of UG Programmes by carrying out NSS and YRC to sensitize to social and environmental challenges. Courses on Professional Ethics focus on the duties, obligation and virtues. The college offers Personality Development course for UG students. The Departments are given autonomy to identify the issues relevant to them and to have a bearing on gender, sustainable environment, human rights and civic responsibilities.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses students' learning levels and organises special programmes for both slow and advanced learners.

The institution assesses students' learning levels and organises special programmes for both slow and advanced learners. The college organizes Students' Induction Programme to the freshers for explaining roadmap, introducing facilities, rules, regulations and codes of conduct. The PLOs, PSOs and COs are discussed. In Peer group learning, Peers reach out to others to help slow learners. Slow learners are given coaching through Remedial classes to acquire communication skills. They receive Spoken tutorials by IIT Bombay. The Department of English conducts Remedial classes thrice-a-week for the students who scored below 60% in English in HSC. 20 students are assigned as mentees to each faculty for mentoring. The Details are recorded in Student Tutorial and Mentoring Record. The College received funds from UGC for Remedial coaching. A Practical Course in Spoken English is offered for the UG students to enhance conversation in English. Being the Local Chapter, Slow learners enroll for SWAYAM NPTEL courses and Advanced learners take examinations and 750 students get certified by the IITs. Slow learners do group projects and advanced learners do individual projects. Designed curriculum helps advanced learners to attend Workshops and Internships and to publish research articles in Sadakath Research Bulletin. Bloom's Taxonomy is used to teach students with mixed ability conduct, internal assessments and semester examinations.

2.3 - Teaching- Learning Process

2.3.1 - Student-centric methods such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences:

Student-centric methods such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences: Student centric learning is promoted through Group Discussions Quizzes, Projects, Readers' Forum, presentations, hands-on workshops, attending seminars and conferences. Our students participated in National and International level competitions. The faculty use different teaching methods and strategies. The conventional, interactive, collaborative, ICT enabled methods of teaching, blended learning, experiential learning, participative learning are used to enhance learning experiences of the students. The faculty members share e-contents/e-resources through Google classrooms, e-mail and WhatsApp. The faculty use flipped classrooms. Blended learning is also achieved through various methods. Seminars and webinars are conducted by various departments via online platforms. The IQAC organized webinars, sensation programmes and a Faculty Development Programme for the betterment of teaching and non-teaching faculty. Students are invigorated to do Projects and go for Field trip and Industrial visit. To encourage women folk, craftwork and hands-on training are conducted. Being a Local chapter of SWAYAM, 264 students received certificates for Swayam Courses. Typewriting classes are conducted. Centre for Digital Learning sets up to integrate with IIT Bombay. Skill-Enhancement programmes are conducted by ICT Academy. Readers' Forum helps students reviewing books. Collection of poems by the Students' Council are also published

2.3.2 - Teachers use ICT-enabled tools including online resources for effective teaching and learning

The teaching-learning activity at the Institution is supplemented with modern Information and Communication Technology (ICT) tools. PowerPoint presentations are used regularly in the classes. Classes were conducted online, through Google Meet, Zoom and Microsoft Teams during the COVID-19 pandemic. Subject materials and assignments are posted on Google Classrooms. Semester Examinations, both theory and practical, were conducted online during pandemic. The Department of Chemistry has an Learning Management System, called Canvas In structure. Through this LMS, online teaching, monitoring, discussion, sharing of study materials, entry of marks and conduct of exams are done. The College houses an Audio-Visual Hall, equipped with a television set, an LCD Projector and a Motorized Screen. The Department of English offers courses titled Computer Assisted Language and Learning: Listening and Speaking and Computer-Assisted Language and Learning: Reading and Writing. They are also offered to the students of other majors as Non Major Electives (NME). A Language Laboratory equipped with 71 systems with Local Area Network (LAN) and a Smart Board is being used for the course. There are 57 LCD Projectors and 5 Smart classrooms. All the Departments have Wi-Fi connections. Totally there are 32 Wi-Fi connections with a speed of 100 mbps.

2.3.4 - Preparation and adherence to Academic Calendar and Teaching Plans by the institution

The Academic Calendar, prepared annually by the Calendar Committee, outlines essential dates for the academic year, including semester start and end dates, schedules for Continuous Internal Assessments (CIAs), External Examinations, Seminars/Conferences, Academic Audits, holidays, institutional events, and meetings of governing bodies like the Governing Board, Boards of Studies, and Academic Council. It also designates Days of National Importance and National Festivals, serving as a reference for students, faculty, parents, staff, and stakeholders.

The Calendar Committee ensures strict adherence to this calendar, with the College Examination Cell following suit. Faculty members develop their teaching plans in line with the Handbook, which are reviewed by respective Heads of Departments (HODs). Lesson plans undergo internal audits by the Internal Quality Assurance Cell (IQAC) and external evaluations by the ISO. Remedial measures are identified in exit meetings to enhance future performance.

Students receive notebooks featuring the Academic Calendar. Any unforeseen events may lead to alterations in the calendar, which are communicated to faculty and students.

At the academic year's end, the Calendar Committee reviews the past year's calendar, highlighting achieved goals and outcomes. The institution diligently adheres to the calendar. During class cancellations, students are engaged with video clips in their respective departments, the auditorium, or the library. A weekly report on class arrangements and cancellations is submitted to the Principal and the Secretary every Tuesday.

2.5.3 - IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in the Examination Management System (EMS) of the Institution

Examination reforms in our institution, based on recommendations from UGC, IQAC, and various committees, have significantly enhanced the Examination Management System (EMS).

Exam procedures and processes have evolved:

- Unified question paper formats for UG and PG programs.
- Rigorous scrutiny of question papers by subject experts from reputable institutions.
- Faculty-generated question bank based on Bloom's Taxonomy.
- Introduction of a 40-page answer script booklet.

IT integration has played a pivotal role:

- An online portal facilitates online registration, fee payment, hall ticket downloads, and access to exam schedules, CIA test scores, and attendance records.
- Semester exam results are accessible via the college website.
- A new indigenous COE office software was acquired in May 2023.

Additional reforms encompass:

- Centralized internal and external exams for add-on courses.
- Practical exams for UG and PG science programs in both odd and even semesters.
- Online entry of CIA marks by faculty.
- Centralized Ph.D. coursework exams.
- Issuance of certificates for add-on courses.
- Special exams for NCC and sports program participants.
- On-demand access to answer scripts.
- Enhanced security features in mark statements.
- Implementation of reforms like OMR sheets, Outcome Based Education (OBE), Academic Bank of Credits (ABC), and registration with the National Academic Depository (NAD) (NAD ID: NAD052112, Registered on: 16/03/2023).

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme Outcomes and Course Outcomes for all Programmes offered by the institution are stated and displayed on the website and communicated to teachers and students

The purpose of the POs, PSOs, and COs is to inform students of the curriculum's intended learning objectives and results. Students who complete a B.A. in history have an understanding of archaeology, epigraphy, historiography, museology, museum studies, archives keeping, and tourism. After completing their B.A. in Economics, students will be able to comprehend the fundamental ideas of economics, banking, budgeting, finance, the global economy, and the causes and effects of unemployment, inflation, and economic growth in order to improve the economic status of their country. Tamil/Arabic and English are the languages that are taught as Part I and Part II, respectively. The COs are structured to aid learners in overcoming obstacles. The courses are available to take in order to sit for competitive exams like NET and SET. The curricula are created at an advanced level keeping in mind to aid them in their academic endeavours. Students who take the Eco Literature course get an understanding of people, society, technology, and the environment. Students could develop their skills as managers and business people through the courses given by the Department of Commerce and Business Administration. The curricula are developed to accommodate the expanding thirst for students need. Students participate in interactive and experiential education in the classroom, internships, and the workplace visits, informative excursions, quizzes, and tournaments for orators.

2.6.2 - Attainment of Programme Outcomes and Course Outcomes as evaluated by the institution

Autonomous Status was conferred upon the College in 2007. Boards of Studies attempt to frame innovative syllabi. CBCS adopted in 2008 provides an opportunity to offer Elective and Skill-based courses. In 2018-2021, syllabi was designed to incorporate educational objectives and course outcomes according to LOCF and OBE under CBCS. The Methods of attaining the POs, PSOs and COs include the following: The question papers and question banks for Internal Assessment and Semester

examinations are framed by applying Bloom's Taxonomy Students' progress in performance in the subsequent semesters is assessed and accounted for; The purchase of the OBE Software to measure the attainment of COs by validating the knowledge and the skills; Relationship matrix to measure the attainment of Cos and SPOs. The attainment of COs is categorized as Low (matches-less than 25), Medium (matches between 25 and 33) and High (matches-more than 33). PSOs and POs are validated by subject experts. Adopting Direct method is proposed. Feedback is obtained from students, employers, alumni and parents for evaluation under Indirect method. UG and PG students have completed three semesters under OBE so the evaluation of COs, POs and PSOs will be done after completion.

RESEARCH, INNOVATIONS AND EXTENSION

3.1 - Promotion of Research and Facilities

3.1.1 - The institution's research facilities are frequently updated and there is a well-defined policy for promotion of research which is uploaded on the institutional website and implemented

A newly-built Research Wing caters to the Research needs of the Institution. The College has a policy for Promotion of Research. The Research Promotion Committee comprises the Principal, the Vice-Principal, the Controller of Examinations, the Deans of Arts & Sciences, the IQAC Coordinator, the Dean of Research and Development, the NIRF Coordinator and the Bursar. There are nine Research Centres belong to the Science (6) Arts (2) and Commerce Departments (1). Fifty-three Research Supervisors are guiding 148 Full-Time and Part-Time Research Scholars. The Research Scholars are encouraged to avail of funding from Government and Non-Governmental agencies to support their Research. Research scholars received fund (Rs.1,20,000/-) from Department of Higher Education. A Junior Research Fellow recognized by UGC was upgraded to SRF in 2021. Research Centres have well-equipped Laboratories with Computers Internet facility, a DC Hall, Books on recent Theories/Principles/Concepts etc. Faculty members of the college are encouraged to carry out research. Managing Committee provided Seed Money to Minor research projects and Incentives for publishing research articles in SCOPUS. The Center for Research has conducted 5 Workshops / Seminars to know the emerging areas of Research the nuances of Research Writing and to inculcate Research Culture among the Scholars.

3.3 - Innovation Ecosystem

3.3.1 - Institution has created an ecosystem for innovations and creation and transfer of knowledge supported by dedicated centres for research, entrepreneurship, community orientation, incubation, etc.

The Institution's Innovation Council has been recognized by the Ministry of Education, Government of India. Our College's participation in the Atal Ranking of Institutions on Innovation Achievements (ARIIA) stands as a testimony towards the support we extend for Innovation and Research. The College has a dedicated Centre for Research which consists of nine Research Departments. To encourage Research culture on the campus, the College has provided a seed money of Rs. 1,75,000/- to 18 faculty members to carry out Minor Research Projects. An amount of Rs. 45,000/- has been awarded to 45 faculties for publishing their articles in reputed journals. A Mahatma Gandhi National Council of Rural Education - Rural Entrepreneurship Development - ACTION PLAN and BUSINESS PLAN WORKSHOP was conducted by the College Rural Entrepreneurship Development Cell. An Interface was organized towards the conduct of Green and Energy Audit. A Proposal was submitted and the Managing Committee approved the proposal and an amount of Rs. 50,000/- was released. The Department of Microbiology, organized a National Entrepreneur Webinar on "Energy Recovery from Waste through Anaerobic Digestion". The Institution Innovation Council of our College in collaboration with the Department of Nutrition & Dietetics organized a Guest Lecture on "Mentoring Session with Successful Start-Up Founder (Entrepreneur)". Each department is encouraged to conduct State/National/International Seminars and Conferences.

3.6 - Extension Activities

3.6.1 - Extension activities carried out in the neighbourhood sensitising students to social issues for their holistic development, and the impact thereof during the year

The extension activities of our college have been instrumental in spearheading a multitude of community-centric initiatives. The part V offices worked tirelessly to instigate positive transformations in our surrounding areas. Throughout the academic year, the Sadakath Outreach Programme (SOP) conducted numerous extension and outreach programmes through the NSS, NCC, Red Cross, and YRC. These endeavours were not only conducted within the college premises but also reached out to the local community, industries, and NGOs, forging meaningful partnerships to address societal challenges. The activities commenced with educational initiatives such as 'Talent Search Exam Awareness and Communication Skills Training' benefiting students in adopted villages, 'Dengue Awareness Rallies, and Free Medical Camps,' reaching out to hundreds of villagers. Environmental consciousness was promoted through activities like 'Sapling Plantations, Rainwater Harvesting Awareness, Plastic Awareness Rallies, and Azola Cultivation Training.' The commitment and dedication displayed by the student body in these activities showcase a collective effort towards community welfare, echoing the College's ethos of social responsibility and active citizenry. A total of 95 programmes have been organised on behalf of the Part V Programmes during the year 2022-23.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of an effective leadership in tune with the vision and mission of the Institution

Sadakathullah Appa College, founded by the Muslim Minority Community, is named after the Arabic Scholar, Sadakathullah Appa in 1971. The Vision of the College is to provide quality higher education to all sections of the society. The Mission of

the College is to offer Undergraduate and Postgraduate courses in Humanities, Arts and Sciences, to undertake, initiate and promote research both pure and applied at M.Phil\Ph.D levels and to offer extension services. After the Third Cycle of NAAC Accreditation, the College has introduced 16 new programmes. There are 9 Research Centres with 53 Research Guides. 148 scholars have registered for Doctoral Research. Out of the 172 faculty members, 89 faculty members have obtained Ph.D degrees. Under Sadakath Outreach Programme, 5 villages have been adopted. Sadakathullah Appa College is committed to produce law-abiding and productive citizens befitting this nation. The College is run by the Sadakathullah Appa Educational Society. The Managing Committee comprises President, Secretary, Treasurer, Members and 54 Patrons. The Vision and Mission of the Institution are realized through the 57 Committees, Boards and Cells formed. The Alumni Association contributes Rs.15 lakh for the construction of the Golden Jubilee Arch

6.1.2 - Effective leadership is reflected in various institutional practices such as decentralization and participative management

Sadakathullah Appa College, an Autonomous Institution, abounds with activities. The organogram of the Management helps the Institution function smoothly. The Academic Calendar is prepared by an exclusive team of faculty. The 57 Committees make sure that every department functions without the hurdle of red tapism. The 57 committees that function at the behest of the Principal make sure that the needs of the Institution across the board are fulfilled. There are 6 Deans at the college to look into various academic activities on the campus. The IQAC Steering Committee is one of the academic advisory bodies. The Examination Committee serves the Institution untiringly. The office of the Controller of Examinations conducts internal, external and practical examinations every semester. It conducts speed tests for the final year students with arrears. The Governing Board meets twice a year to discuss and approve the resolutions of the CDC, BOS and Academic Council. The Managing Committee graces the Annual Alumni Get-

Together and Parent Teachers Association meetings with their presence. The Managing Committee contributes generously for the welfare of the Institution through the 105 Endowments. Endowment Scholarships are distributed to meritorious students every year.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ Perspective plan has been clearly articulated and implemented

A variety of quality assurance processes are institutionalized strategically to enhance the teacher quality, curriculum delivery and research. The academic calendar is uploaded on our college website. FDPs are conducted by the IQAC. The Students' Induction Programme helps the freshers. Students' Council functions under the guidance of Principal, Vice-Principal, Administrative Heads and HoDs. Office-bearers and representatives of Students' Council are elected through a voting. Board of Studies meetings are conducted for revamping the syllabi. Academic council approves the curriculum designed by BoS. The Governing Board meets twice a year and gives final approval for academic activities. Career-Oriented Courses are provided to the students. CBCS facilitates Skill-Enhancement courses. Admission process is done online. Library is fully automated with AutoLib Software and N-List. Academic Audit is done every year. Planning and Evaluation Committee plans and executes academic activities. Digital Learning Centre helps students to take up MOOC courses. Mentor-Mentee Scheme offers guidance to the mentees. The automation of the examination system simplifies hall allotment, seating, downloading hall tickets and publishing results online. Earn while you learn, Students' Self-Help, Students' Help in First Aid schemes support students' initiatives. 'Manitham' helps homeless people. The Centres for Research inculcate the urge for

research among faculty and research scholars.

6.2.2 - The functioning of the various institutional bodies is effective and efficient as visible from the policies, administrative set-up, appointment and service rules, procedures, etc.

The College has a well-defined organizational structure for governance. It is run by the Sadakathullah Appa Educational Society. The Managing Committee contributes to the development of the institution. The Governing Board monitors and ensures the functioning of the institution. The draft proposals are presented in the Governing Board for discussion and approval. Boards of Studies frame the CBCS syllabi focusing on COs and Graduate Attributes. It reviews and updates the syllabi every three years. The Academic Council meets twice a year and provides examination pattern and final approval of syllabi based on the recommendations by the BoS. Principal is the managerial and academic head of the institution assisted by Vice-Principal and other administrative heads. Vice-Principal looks after academic matters of Unaided Programmes. The Deans of Arts and Sciences design the course structure and coordinate meetings of BoS and CDC. The office of CoE designs the evaluation system, conducts CIA tests, Semester Examinations and publishes results. The Heads of the Departments support to execute academic activities and departmental activities. IQAC focuses on overall quality enhancement and innovative practices in the institution. The Finance Committee formulates the annual budget for allocating funds. SOPs are formulated for various academic and administrative activities.

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non-teaching staff and avenues for their career development/ progression

The Management has devised several welfare measures for the benefit of teaching and non-teaching staff. Employee Provident Fund, Group Insurance Scheme, Gratuity Funds, ESI Benefits and Mediclaim provisions are also available. Defined Contribution Pension Scheme is in place for grantable staff who have joined services after April 2003. Maternity Leave with a nine month salary is sanctioned. Leave on Medical Certificate for seven days per year is sanctioned to the unaided faculty. Unaided staff can claim festival allowances. The NSS units conduct free Annual Health Check up Camps for staff. Two sets of uniforms are given to the support staff every year. The Institution provides seed money to faculty for undertaking Minor Research Projects. Incentives are provided to faculty who publish research articles in Scopus journals. Unaided staff are allowed to attend Seven Day FDPs. Each department is equipped with Wi-

Fi, Computer and Internet facilities to help the faculty in academics and research. Email addresses using the domain name of the Institution are provided to the teaching faculty. OD is granted for aided and unaided faculty for participating in seminars/conferences/workshops. The Salary for Staff was released by the Managing Committee every month despite financial difficulties during the Covid-19 Pandemic.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly

The College has a well-organized setup to look into financial matters. Internal and External Audits are conducted regularly in order to maintain regularity in transactions and ensure integrity. The Finance Committee comprises the Secretary as the Chairman, the Principal, the Bursar and a senior faculty. It meets regularly for preparing annual budget. The allocation of funds under various heads is placed at the Staff Council Meeting. Adequate funds are released to each department for the purchase of books the conduct of seminars and to spend on other requirements. The requirements of the College office, the Departments, the Library and the office of the Controller Examinations are discussed at the meeting. Financial audits confirm the effective utilization of the financial resources. The External Audit is conducted by the Office of the Regional Joint Director of Collegiate Education, Tirunelveli. External Audit is done by Account General Office, Chennai. The college uses PFMS and IFHRMS of the Central government to manage the funds. The Internal Audit is conducted by the College Auditor at quarterly intervals. The college office maintains different heads of accounts for various purposes. The auditor certifies the accounts and presents the audit report to the managing committee for approval.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for

institutionalizing quality assurance strategies and processes visible in terms of incremental improvements made during the preceding year with regard to quality (in case of the First Cycle): Incremental improvements made during the preceding year with regard to quality and post-accreditation quality initiatives (Second and subsequent cycles)

IQAC, established in 2006 channelizes all efforts and measures of the Institution towards promoting holistic academic excellence. It ensures and sustains quality in teaching learning, evaluation, administration and extracurricular activities. Workshops and FDPs are conducted to train the faculty. An Online Coordination Committee was constituted to monitor the online classes and to consolidate attendance. The Calendar Committee prepared an Academic Calendar to plan the online courses to be delivered and to fix time slots for conducting three CIA Tests and Semester Examinations. NPTEL Local Chapter has a tie-up with IIT, Bombay and IIT, Chennai to offer online certificate courses and Spoken Tutorials. Our students have completed NPTEL Courses. Our faculty also have completed Online Courses and 13 of them have been recognized by the Ministry of Education as Nationalized Mentors. The Local Chapter was ranked at the 6th place nationally under Arts and Science Colleges. Seed Money is provided for doing Minor Research Projects. The faculty are encouraged with incentives for publishing articles in reputed journals and granted OD for presenting papers and acting as resource persons. Our faculty received funds under UGCXII. Thirty Two research papers published in SCOPUS. The Question Banks for the UG and PG Programmes were created as per Blooms Taxonomy.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Sadakathullah Appa College (Autonomous), is known for welfare measures for everyone across the board. Gender equity is adhered to. Boys and girls are given admission in accordance with the regulations of the college and the Government of Tamil Nadu. The Women Harassment Prevention Cell with 10 faculty, ensures the safety of girls on the campus. The Anti-Ragging Committee ensures that a smooth relationship is in place among the students on the campus. The emergency toll free numbers are displayed on the hostel notice boards. The curriculum is accommodating Women's Studies. The hostel facilities are with good ambience. There are 88 male and 91 female faculty and 46 male and 25 female non-teaching staff. The women faculty are vested with the responsibilities such as Controller and Deputy Controller of Examinations, Dean of Centre for Digital Learning and Sports, AISHE & ARIIA Coordinators, Department Heads, Research Heads, Women Counselor and Physical Directress. In the Students' Council, a reservation of 50% was given to female students for their representation in the Council. The posts of Vice-Chairperson and Joint Secretary are given to girl students.

7.1.3 - Describe the facilities in the institution for the management of the following types of degradable and non-degradable waste (within a maximum of 200 words)

The Institution is committed to proper management of all types of wastes. The institution bears the environmental responsibility to preserve Ecosystem. To realize this, janitors have been employed and they work in shifts. The solid waste of every classroom, laboratory and hostel room on the campus is collected and segregated into bio and non-biodegradable waste. The degradable waste is dumped in a pit for vermicomposting. The non biodegradable waste is either incinerated or handed over to the municipal/ corporation staff. The liquid waste and bio medical waste from the laboratories of Chemistry and Microbiology is treated through a liquid waste management system. A treatment plant has been installed with activated carbon filtration technology. The liquid waste collected through the Reverse Osmosis systems and the hostel is diverted to the nearby gardens. E-waste accumulates on the campus, is also properly managed. The parts of computers that are still in working condition are transferred to other Departments that are in need of them. Parts of the computers are used in classroom for the Conduct of Certificate Course in Hardware and Networking. The usage of radioactive materials in the practical classes is 1 avoided to keep up with the Institution's interest on environmental protection.
