**Sub: Inviting your institution to participate in an environment conservation activity**

Greetings from Environmentalist Foundation of India (E.F.I), we are a wildlife conservation and habitat restoration group working towards restoring water bodies and forest patches across 17 states in the country in an attempt to preserve our finite natural resources and improve local biodiversity resilience.

As a part of our educational outreach program, we are conducting a clean up activity this Saturday, 17<sup>th</sup> September, 2022 from 9.30 am to 11.30 am at the Palapalai Odai. We request you to kindly send your students to attend the same.

We have no commercial intentions; we simply wish to spread awareness about the environment, and the importance of conserving and protecting it.

Kindly let us know if any further information is required from our end. Looking forward to a positive response.

With Warm Regards,

Arun Krishnamurthy C

Greetings Sir,

I am **Aswin S, Activation Supervisor** at the [Environmentalist Foundation of India](#) (E.F.I). We are a wildlife conservation and habitat restoration group, voluntarily reviving lakes and ponds across India. We have worked on **357** water bodies over the last **15** years across **18** states in the country. Founded by [Arun Krishnamurthy](#) in 2007, our organization's mission is to Volunteer for India & her Environment through result-oriented and real-time projects.

E.F.I. is planning to celebrate World Water Day(March 22nd) with a series of volunteering activities from **18th March to 26th March** in 10 different cities. This email is an official invitation for Sadakathullah Appa College to join E.F.I. in a volunteering event(Lake Clean-Up) happening at [Moorthi Nainar Kulam](#), Thirunelveli. As we discussed over the phone, we have scheduled the event for 21st March(7-9 AM). Please let us know, how many students will be participating in the event.

I have also attached a brochure that explains about E.F.I. Kindly let us know if any further information is required from our end.

Warm Regards
