## **THE INTERNAL QUALITY ASSURANCE CELL REPORT**

**September 2017 – March 2018**

The National Institutional Ranking Framework (NIRF) approved by the MHRD and launched by Honourable Minister of Human Resource Development outlines a methodology to rank institutions across the country. The methodology draws from the overall recommendations and broad understanding arrived at by a Core Committee set up by MHRD, to identify the broad parameters for ranking various universities and institutions. The parameters broadly cover “Teaching, Learning and Resources,” “Research and Professional Practices,” “Graduation Outcomes,” “Outreach and Inclusivity,” and “Perception”. The College has applied with NIRF to get an overall rank and discipline specific rank.

The Second cycle of Autonomy ends in May 2018. The College has applied for the review of the autonomous status. Biometric system of attendance has been introduced for both teaching and non-teaching staff.

Tamil Chair Inc. is a non-profit organization registered in the state of Maryland (USA) that is currently working on fund-raising for Harvard Tamil Chair. Six million US Dollars is required to establish it. Tamil is one of the very few languages of the world with a classical past and a robust literary tradition that has continued to this day. Despite many foreign occupations of the Tamil country and other outside influences, this noble language has always shone, producing vibrant literature for over two thousand years. The College feels proud to register that on behalf of the Alumni Association, it has donated Rupees One Lakh for the establishment of the Tamil Chair at Harvard University. The cheque was handed over to the honourable Chief Minister of Tamilnadu on 03.03.2018.
