THE INTERNAL QUALITY ASSURANCE CELL REPORT

Highlighting the importance of autonomous colleges, the UGC document on the XII Plan Profile of Higher Education in India clearly states that: “The only safe and better way to improve the quality of undergraduate education is to delink most of the colleges from the affiliating structure. Colleges with academic and operative freedom are doing better and have more credibility. The financial support to such colleges boosts the concept of autonomy.”

Autonomous colleges are free to make use of the expertise of university departments and other institutions to frame their curricula, devise methods of teaching, examination and evaluation. Sadakathullah Appa College was granted Autonomy in the year 2008. The status of autonomy has been effectively utilised by the institution ever since the conferment. After the successful first review in 2011-12, the college went for the second review. A four member team nominated by the UGC comprising of Prof. S.K. Singh, Former Vice Chancellor, Hemwati Nandan Bahuguna Garwak University; Prof. J.S. Bhat, Department of Physics, Karnataka University; Dr. Y.
