REPORT OF THE INTERNAL QUALITY ASSURANCE CELL

1. Paramarsh Scheme

The Human Resource Development Minister has launched the scheme of 'Paramarsh' to promote Quality Assurance in higher education.

The scheme is for offering Mentoring services to NAAC Accreditation Aspirant Institutions to promote Quality Assurance in Higher Education.

The scheme will be a paradigm shift in the concept of mentoring of institution by another well performing institution to upgrade their academic performance and enable them to get accredited by focusing in the areas of curricular aspects, teaching-learning & evaluation, research, innovation, institutional values & practices.

Higher education institutions that have failed to meet the quality standards of the National Assessment Accreditation Council (NAAC) can now get mentorship from the top universities and colleges.

Under the Paramarsh scheme of the University Grants Commission (UGC), 71 universities and 391 colleges with NAAC score of 3.26 applied to be Mentors under the Scheme.

The UGC has approved 167 Universities and Colleges as Mentors and 800 institutions as Mentees.

Sadakathullah Appa College is one among the selected premier institutions.

Each mentor institute will receive a grant of Rs 30 lakh to support the mentees.

A 20KW Solar Panel has been installed on the top of the Second Floor of the Controller of Examinations Office Block with a view to meet the power needs of the Institution from renewable energy sources. It will be inaugurated soon.

8. Online Admission

Admission of students into UG, PG and M.Phil. Courses is done on merit basis. Applications are invited from eligible candidates for admission into various courses. As our College is a Muslim Minority Institution, 50% of the seats are allotted to the Muslim Community and the remaining 50% are filled as per the guidelines of the Government of Tamil Nadu. Online Admission has been successfully implemented from the academic year 2019-2020. The admission seekers will fill up the application form available on the College Website and submit it online. Based on merit the candidates will be admitted to different programmes and they will pay the admission fee online.

9. Hall Ticket Generation

Online Hall Ticket Download Method has been introduced since the April 2019 Semester Examinations. The updated timetable for the Semester examinations will be linked to the eligibility list of the respective students. The students who are appearing for the regular and arrear examinations will be categorized. A hall-wise seating plan will be done accordingly. Subsequently the entire database will be uploaded to the internet. The students may download and print their hall tickets by clicking on the "Print" option after entering their register numbers.

15. The Academic Audit

- i. The Academic audit was conducted on 04.04.2019 and 05.04.2019. Prof. K. Rabi Ahamed, Dr. M. Kamalutheen and Dr. Nazeer Ahamed were the chief auditors. Dr. Rama, Autonomy Coordinator, Associate Professor and Head, Department of Chemistry, Sarah Tucker College was the external auditor.

16. Report on the feedback

- i. The feedback for Even Semester was obtained from all students on 08.04.2019 to 12.04.2019.
- ii. Follow-up activities on the feedback collected from the students were undertaken by senior staff members. They met the staff members with dismal performance and suggested various methods for improvement.

17. Report on the follow-up of Students' feedback on staff (April 2019)

- The students give feedback in an electronically administered questionnaire containing 25 questions focusing on the performance of the teachers who have taught them specific subjects. The feedback is collected confidentially. The students are to provide the feedback on a four point scale where 7 being excellent and 1 being very poor. The feedback is consolidated in a secured server and overall percentage is given to all teachers. Then they are ranked according to the percentage received. The students' feedback on that individual teacher is shared with him / her confidentially.
- Moreover, a Feedback Analysis Committee comprising four members – Dr. M. Mohamed Sathik, Dr. A. Abdul Kader, Dr. A. Shakul Hamid and Dr. M. Nazeer Ahamed analyse the feedback further and based on the ranking the teachers who got less than 4 are given personal counselling to improve their teaching and other relevant areas so that they can get good overall feedback score.
- The teachers were called for a formal interaction to discuss the feedback obtained from students on their academic performance. It was a very transparent interaction between a team of senior professors comprising the Principal, the Director (Unaided Courses), Dr. A. Shakul Hamid, Department of Computer Science and Dr. Janet Rani, Department of Microbiology.
- The teachers were politely asked to give explanation on their respective feedback scores. The team was, to a greater extent, satisfied with their explanations. In addition, they were given suggestions for further improvement in this regard.

18. Quality Measures to be implemented

Consultancy Policy

Introduction

Consultancy is well recognised as an effective way for institutions to disseminate knowledge and make an early and direct impact on society. This policy provides provisions for conducting consultancy and to ensure that consultancies undertaken by staff are consistent with the strategic and operational objectives and the costs are sustainable.

The policy

All research and non-research consultancies as described in this policy are governed by the following guiding principles:

- a. There should be demonstrable benefit to the institution from the consultancy through income, enhanced reputation and /or expanding the expertise of the staff member.
- b. The consultancy must not be in conflict with the functions, objectives or interests of the institution.
- c. Consultancy services should be eyeopeners to the public by conducting training, workshops etc. It also should help the upliftment of the society.
- d. Testing and Evaluation services are to be normally offered in selected / specialized areas, in order to meet the needs of certain governmental and related agencies, special clients and other outside educational institutions.
- e. Standardization and calibration services may be offered in areas in which facilities are available or can be augmented. Such services should normally be backed by periodic calibration / standardization of laboratory equipment used for such purposes.

Research Consultancy

A research consultancy exists where an academic staff member provides research skills or expertise in return for remuneration from an external funder. A research consultancy may be the outcome of an individual or a group.

Non-research Consultancy

Non-research Consultancies include non-research activities performed under contract for a third party. Non-Research Consultancy would include the provision of professional services to external agencies for a fee. This would include analysis of data, market surveys, opinion surveys etc., The provision of professional services

such as designing, legal and medical advice undertaken by members of faculty and staff.

Benefits of Consultancy

The revenue generated from the consultancy project is shared by the consultancy agency and management in the 70:30 ratio respectively.

If more than one member takes up a consultancy project then the 70% of the amount to be shared equally between them.

Name of the Consultant(s) Department	Name of Consultancy Project	Revenue generated (amount in rupees)
Microbiology	Consultancy in Antibacterial Sensitivity Test (CAST)	5,400/-
Nutrition and Dietetics	Supplying Organic Refreshment at the National Seminar conducted by Department of Chemistry	13500/-

7. Maintaining the hierarchy in the administration.
8. Adhering strictly to the official resumptions, closing time and dress code.
9. Not allowing unauthorized persons to perform official duties.

Code of Ethics for Students

Good Manners and Behaviours :

1. Every student should conform to the rules and regulations relating to attendance, library, college fees, examinations, etc., Hostel residents must obey the hostel regulations.
2. Students are forbidden to smoke on the college premises, to write or make any marks on the walls or to throw paper or ink on the floor of the classrooms or the verandas.
3. Students are not allowed to stand or walk along the verandas of the college during class hours.
4. Strict silence must be observed during class hours in the classrooms.
5. Students are expected to be courteous to all, especially, to their Professors and Elders.
6. When a faculty or any other member of the staff enters a class room, the students must stand and should not remain seated until the staff invites them to do so or he himself takes the seat. They should likewise stand up when the staff leaves the class room.
7. No student should leave the classroom during lecture hours without permission of the faculty. Similarly, no student can call out any student from the class without permission from the faculty.
8. Any difference that may arise among the students and staff should be resolved by peaceful methods, and with a spirit of give and take. Therefore students should not address any authority in a collective body. Such an action is subversive to good order. Requests, petitions, appeals and complaints of any kind must be made in the first place to the Head of the Department concerned and never directly to higher authorities.
9. College property and furniture should be handled with care and anyone who damages them will be held liable to pay for the damage caused. Stealing of college property or belongings of others constitutes a serious offence and therefore immediate action will be taken. Lights and fans in the classroom must be switched off when there is no lecture in the class.
10. Science students will not be permitted to take away any broken apparatus from the laboratory.
11. Two-wheelers should be parked in the sheds and not anywhere else on campus.
12. Students are expected to regularly go through the notices put up on the notice board. Ignorance of any notice thus displayed will not be accepted as an excuse for failing to comply with directions contained in it.

Disciplinary Regulations (Cfr. Tamil Nadu Educational Rules (1973) Nos. 93-98)

1. Students are forbidden to organise or attend any meetings on the college premises, or collect money for any purpose without explicit permission from the Principal.
2. No student who has been convicted of any offence in a criminal court will be allowed to continue his studies in the college.
3. Students should abstain themselves from active participation in party or communal politics.
4. Students who indulge in political propaganda or who organise fellow students into political factions on the premises of the college or hostels, or who otherwise engage themselves in party or politics are liable to be expelled from the college and hostels.
5. The Principal has full power to inflict punishments like fine, loss of term certificate, suspension and expulsion from the college, if any student is guilty of rudeness of behaviour and gross breach of rules, under the educational rules of the Tamil Nadu Government (1978).
6. Students should not indulge in any activity leading to the disruption of peace and discipline and dislocation of normal work on the college and hostel premises. Those who are guilty of violation of this will be severely punished.

21. Projects applied by the faculty

The details of the Minor / Major Research Projects applied for the academic year 2019-20 are as follows:

S.No	Name of the Faculty & Department	Nature of the Project	Name of the funding Agency	Amount (Rs)
1.	Dr. A. Syed Mohamed, Associate Professor & Head, Department of Chemistry	Green Synthesis of Magnesium Nano Particles using Carica Papaya Peel Extract and Evaluation of its Anticancerous Properties	Tamilnadu State Council For Science and Technology	5,00,000/-
2.		Biowaste Mediated Synthesis of Nickel Nano Particles and its Performance as Ceramic Layer Supported Nanofiltration Membrane for Desalination and Purification of Water	Tamilnadu State Council For Science and Technology	10,000/-
3.	Dr. M. Sheik Muhideen Badhusha, Assistant Professor, Department of Chemistry	Minor Research Project	Tamilnadu State Council For Science and Technology	4,70,000
4.		Minor Research Project (Co-investigator)	Tamilnadu State Council For Science and Technology	4,50,000
5.		Student Project Scheme	Tamilnadu State Council For Science and Technology	10,000
6.	Dr. M. Manohar, Assistant Professor, Department of Microbiology	Awareness of Polycystic Ovary syndrome (PCOS) among the rural Teen & Women”	Tamil State Council for Science Technology	50,000/-
7.		Production of Biofuel from fresh water algae by using sewage water	Tamil State Council for Science Technology	10,000/-
8.		Potential application of plat probiotics act as a growth promoters in crops	Tamil State Council for Science Technology	10,000/-
9.		Improve Exopolysaccharide production in Lactic Acid Bacterium (LAB) and enhance the Quality of Dairy Products	Tamil State Council for Science Technology	10,000/-
10.		National Level Workshop on “DNA bar coding-Digital Green garden”	Tamil State Council for Higher Education	25,000/-

S.No	Name of the Faculty & Department	Nature of the Project	Name of the funding Agency	Amount (Rs)
11.	Dr. S. Shajun Nisha, Assistant Professor, PG and Research Department of Computer Science	On Advance Microsoft Technology	TamilNadu State Council for Higher Education (TANSEHE)	23,000
12.		e-Content Development	TamilNadu State Council for Higher Education (TANSEHE)	25,000
13.		e-Learning and e-Content Endorsement in Pedagogy	Pondicherry University School of Education	1,80,000
14.		Centre For Academic Leadership and Education Management	Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT)	1,50,00,000
15.		Automation Agriculture Water Supply	Tamilnadu State Council For Science and Technology	8,500
16.		Where is My Bus	Tamilnadu State Council For Science and Technology	10,000
17.		Bsecure Yourself	Tamilnadu State Council For Science and Technology	10,000
18.		Learn Farming	Tamilnadu State Council For Science and Technology	10,000

S.No	Name of the Faculty & Department	Nature of the Project	Name of the funding Agency	Amount (Rs)
19.	Dr. Raihana Imran, Assistant Professor, Khan, Department of Chemistry (PG)	Green and Bio Inspired Synthesis of Metal Nanoparticles Embedded in Ionic Modified Cyclodextrins and its Applications	DST-SERB (Major)	43,52,000/-
20.		Catalytic Fixation of Atmospheric Carbon-dioxide by Copper (II) Complexes Using Triazole Modified β -Cyclodextrin Act as a Novel Bidentate Ligands	TNSCST (Minor)	4,70,000/-
21.		Green and Bio Inspired Synthesis of Metal Nanoparticles Embedded in Ionic Modified Cyclodextrins and Its Applications	TNSCST (Minor)	4,60,000/-
22.		Biomimetic Catalysis by Cu(I) Complex of Ethylene-di-amine Modified β -Cyclodextrin in Synthesis of Benzoxazole Derivatives via Phenol and Benzylamine Coupling	TNSCST Students' Project - 2019	10,000/-
23.	Dr. M.A. Sabitha, Assistant Professor, Department of Chemistry (PG)	Green Synthesis of Magnesium Nano Particles using Carica Papaya Peel Extract and Evaluation of its Anticancerous Properties	TNSCST	5,00,000/-
24.		Biowaste Mediated Synthesis of Nickel Nano Particles and its Performance as Ceramic Layer Supported Nanofiltration Membrane for Desalination and Purification of Water	TNSCST	10,000/-

S.No	Name of the Faculty & Department	Nature of the Project	Name of the funding Agency	Amount (Rs)
25.	Dr. M. Sheik Muhideen Badhusha, Assistant Professor, Department of Chemistry	Unnat Bharat Abiyan (UBI) (MHRD)	MHRD, New Delhi	1,00,000

22. Ph.Ds awarded during the Academic Year 2019-2020

Eight staff members have been awarded Ph.D. degrees this year. Two candidates have completed their doctoral research under the guidance of our staff members at our research centres. A total of 78 staff members have Ph.D. degrees of which 45 are approved research supervisors. A total of 112 research scholars are doing research at our nine research centres.

23. Details of Paper Publications in Web of Science, Scopus, UGC Care Journals for 2018 - 2019

A total of 34 (7 – Web of Science & Scopus, 27 – UGC – Care Research Journals) research papers have been published by our teachers. 165 papers have been presented at seminars and conferences held at various colleges.

24. Recommendations for Quality Enhancement of the Institution of NAAC – III Cycle

- Plan a Road Map for next 10 years in accordance with the vision and mission of the college.
- Commerce Lab-based practicals need to be introduced and Science Laboratories should be further modernised.
- Feedback system should be made more effective.
- Placement drive must be intensified and focused.
- More funds to be allocated for promotion of faculty research and student projects.
- Motivating faculty members to publish more research papers in reputed Peer reviewed Journals and to apply for projects to various funding agencies.
- More ICT culture may be promoted.
- Consider nucleating an incubation hub and skill development centre.
- Strengthening of Career Guidance and Placement Cell and initiating Coaching classes for competitive examinations.
- Faculty development activity needs to be further augmented.

25. Action Taken Report (Governing Board)

Resolutions	Action Taken
To vary the standard of question papers as per the ability of the students.	Under discussion
To frame different Part-II English syllabi to cater to the diverse needs of students.	Disapproved in the Governing Board
To issue different sets of question papers to students taking the examination in the same hall.	Under discussion
To encourage staff members to create PPTs and upload it on the College website.	Implemented
To encourage students to submit e-Assignments.	Implemented
To maintain question banks for at least 5 courses per programme.	Implemented in I year PG Programmes
To introduce a self-study paper by each department with the examination pattern being the open-book system.	Under discussion
To offer online at least a paper / module / certificate course / an add on course.	Under discussion

26. Resolutions of the IQAC Steering Committee Meeting held on 30.07.2019 subject to the approval of the Governing Board

1. Resolved that a 7-scale computer methodology be followed and the weighted average with a single score be taken into account with regard to reports on the follow-up of students' feedback on facilities like canteen, College office, library services, infrastructure, sports and games, the Principal's office, laboratories and the office of the Controller of Examinations.
2. Resolved that the code of ethics for students be published in the College calendar and the code of ethics for teachers be laminated and put up in every department and a copy of the same be given to every teacher.
3. Resolved that the RC Books and the Driving License be collected from every student comes to College in two-wheeler.
4. Resolved that a subcommittee be formed with Dr.A.Shakul Hameed as the convener and the Principal, Dr.A. Hamil, Dr. A. Mahadevan, Dr.A. Abdul Kadar and Dr. A. Syed Mohamed as the members to discuss the strengthening of the course-wise attendance and find the modules of online attendance for students.
5. Resolved that the Ph.D. Research Scholars be not sent to handle classes.

6. Resolved that incentives be given to the paper publishers.
7. Resolved that registers be maintained to record the utilization of the ICT-enabled classrooms.
8. Resolved that assessment be made after the completion of the Bridge Course.
9. Resolved that the pass percentage for Revaluation be minimized from 50% to 10%.
10. Resolved that prizes for the best users of library be given for every month at the College Assembly.
11. Resolved that prescribed text books be purchased for every department from the UGC fund.
12. Resolved that registers be maintained for recording the grievances with regard to the welfare measures of the staff and students.
13. Resolved that Medical Leave be given to the Unaided staff with the approval of the Principal.
14. Resolved that a Service Register be maintained for the Unaided faculty members.

27. Recommendations of the Steering Committee Meeting held on 30.07.2019 subject to the approval of the Governing Board

1. It was suggested that more attention be paid on the academic infrastructural facilities like laboratories as recommended by the Autonomy Review committee.
2. It was recommended that the mentor-mentee system be strengthened.
3. It was recommended that acquisition of patent rights be promoted in the institution.
4. It was suggested that festival allowance for Unaided staff be given.
5. It was suggested that the contribution of the Alumni Association be enhanced.

Dr. A. Syed Mohamed,
Coordinator, IQAC and Head, Assistant
Professor
(Grade III) of Chemistry.

Dr. M. Mohamed Sathik,
Principal and
Vice Chairman, IQAC.
