HOME EXAMINATION SCHEME OF EXAMINATION SEMESTER

### SEMESTER

#### SEMESTER EXAMINATION

In general all theory question papers will be set by External examiners. While single valuation is followed for Under Graduate courses there will be double valuation for PG Courses. If the difference of marks between the valuations is above 20% the answer script will be sent for third valuation and the average of the consist two marks will be taken as final mark. The students losing answer papers are permitted to write their answer along with regular papers.

A maximum of 4 answer papers may be written by regular and present students in the semester examination. However the final year students can write all the papers in the last semester along with the regular papers. A student who registers for any UG / PG Degree course will have to complete the course within five years and four years respectively. Otherwise the student has to re-register.

A student must clear a minimum of 75% of the list of practical arranged by the class teacher and submit the record note book. The practical examination will be conducted by one internal and internal examiners. The same rules governing theory examinations will apply for absentees, and failed candidates, who wish to take the practical examinations again.

#### SYLLABUS FOR THE SEMESTER EXAMINATIONS

A student failing in a paper in the semester examination is permitted to write that examination under the same syllabus. In the event of a change in the structure of course pattern or a change in the syllabus, the HOD concerned works out a subject equivalence duly authorized by the Academic Council.

Students who lack in attendance and not granted condonation by Principal, must repeat that semester and this can be done only after completing the prescribed study period. The Principal is to be approached for getting readmitted into a course. Such students are called casual students.
