She comes from the village. And she did not attend the online class, we asked the reason, she told that she is not interested to attend the online class. She only prefers offline classes. She thought that it will be like the correspondence course. And she is unable to understand through online classes. we said it will not be like correspondence course. we will take regular classes. It will be easily understood. and if any doubts she can contact us at any time. and we will help her in all possibilities. She also compromise and attend the classes regularly.
