Respected sir,

Subject: Reversal the amount from college account which credited twice during the semester fees online payment time.

Myself Ponradhakrishnan belongs to 2nd year.

B.Sc zoology department. I actually try to pay my semester fees on Oct 5th 12:11 PM through google pay payment gateway, but during that transaction it's got unsuccessful but amount debited from my account meanwhile in our college site it's shows "sorry payment not successful your transaction ID is 153247" so I check Google pay customer care they it will credited to my account within there days. After that I paid the fees through other payment site phoneyway it's done successfully. After the three days I check with Google pay team they said "that amount credited to beneficiary account (college account) and the only way to get back the amount is from beneficiary end only". Here I attached the proof for all the above incidents kindly verify and revert back my account which credited mistakenly.

SUB: To consider my case for conducting Special Internal Exam for the NME - Paper,  
Mushroom Culture and Forestry (Sub. Code: 11NEZO41) - req - reg.

Respected Sir,

I completed my B.A. English in April 2017. As I am a Sports Student, I got an opportunity to participate in the NCC National Games 2016 which held at New Delhi from 15.10.2016 to 26.10.2016. I attended 6 NCC camps of 10 days duration for finally getting myself qualified to participate in the NCC National Games. Unfortunately the dates of all the 3 CIA Tests fell during the camp days, hence I could not attend the CIA Tests. I passed all my major papers. I appeared for the NME Exam 4 times. I got through 4 times in the External Exam. I miserably failed due to lack of Internal Marks. As I am an average student, I am not able to equate my Internal Marks in the External Exam. Hence I request you to consider my case for conducting Special Internal Exam for the NME - Paper, **Mushroom Culture and Forestry (Sub. Code: 11NEZO41)**.

Respected Sir,

Sub: Requesting to consider my problem in valuation - regarding [18PCMA31, 18PCMA33, 18PCMA34].  
I am (J. Ahamed Thamimul Ansari) studying in II. M.Sc. Maths. I am not satisfied with the last semester exam result. But I'm sure that I written 3 papers in the exam well. So, I applied to get transparency. The paper correction was not proper. Then I applied for the revaluation. Again I was not satisfied with the revaluation result. I really get disappointed because I hope that I should get good marks in these subjects. So, I want to consider the paper once again. So, I request you to consider my problem.

Thanking You,
