Employability/ Entrepreneurship/ Skill Development 21-24

Sl. No.	Course Title	Subject Code	Page No.
1	,f;fhyj; jkpo;		
2	Applied Grammar and Translation – I		
3	Communicative English II (Prose, Poetry and Grammar – I)		
4	English for Communication		
5	Principles of Programming in C-Skill Development		
6	Digital Computer Fundamentals-Skill Development		
7	Principles of Programming in C(P) -Skill Development		
8	Office Automation-Entrepreneurship		
9	Office Automation (P) Skill Development		
10	Value Education – I		
11	Value Education – II		
12	rkaj; jkpo;		
13	Applied Grammar and Translation – II		
14	Communicative English II(Prose, Poetry and Grammar – II)		
15	C++ Programming-Skill Development		
16	Data Structures and algorithms		
17	C++ Programming –Practical-Skill Development		
18	Multimedia Tools Entrepreneurship		
19	Multimedia Tools –Practical-Skill Development		
20	Environmental Studies		
21	Java Programming-Employability		
22	Operating Systems		
23	RDBMS with Oracle Employability		
24	Java ProgrammingPractical-Skill Development		

Emp – 10
Entr – 07
SD – 28
45

Sl. No.	Course Title	Subject Code	Page No.
25	RDBMS with Oracle Practical-Skill Development		
26	GUI Programming Skill Development		
27	GUI Programming Practical-Skill Development		
28	Introduction to Computers		
29	MOOC-NPTEL Course		
30	Introduction to Photo Editing Entrepreneurship		
31	Linux Programming Skill Development		
32	ASP.NET-Employability		
33	Computer Networks Skill Development		
34	Linux Programming Practical-Skill Development		
35	ASP.NET Practical Skill Development		
36	Web Designing using HTML & CSS – Skill Development		
37	Web Designing using HTML & CSS Practical- Skill Development		
38	(Soft Skills)		
39	(Subject Oriented) Logical Reasoning – Skill Development		
40	Introduction to internet and Web Designing Entrepreneurship		
41	Computer Graphics Skill Development		
42	Python Programming-Employability		
43	Software Engineering Skill Development		
44	Computer Graphics using C++ Practical Skill Development		

Sl. No.	Course Title	Subject Code	Page No.
45	Python Programming Practical Skill Development		
46	(A).Mobile Computing Entrepreneurship (B).Cloud Computing Employability (C).Big Data Analytics Employability		
47	(A).Network Security Employability (B).Introduction to Block Chain Technology Employability (C) Ecommerce Technologies- Skill Development		
48	Library Reading Hour		
49	MongoDB Programming Skill Development		
50	PHP With MYSQL Skill Development		
51	Data Mining & Data Warehousing		
52	MongoDB Programming Practical Skill Development		
53	PHP With MYSQL Practical Skill Development		
54	(A).IOT Design and Applications Entrepreneurship (B).R-Programming with Data Science Employability (c)Artificial Intelligence and Machine Learning Employability		
55	(A).Project Entrepreneurship		
56	Software Testing Skill Development
