The students being junior papers are permitted to write their script along with regular papers.

A maximum of 4 answer papers may be written by regular and present students in the semester examination. However, the final year students can write all the papers in the last semester along with the regular papers. A student who registers for any UG / PG Degree course, will have to complete the course within five years and four years respectively, unless the college has to register.

A student must take done a minimum of 75% of the list of practical arranged by the class teacher and submit the record into book. The practical examinations will be conducted by one internal and internal examiners. The same rules governing theory examiners will apply for absentees, and failed candidates, who wish to take the practical examinations again.
