## 7.1.4

### Water conservation facilities available in the Institution

#### **BOREWELL / OPEN WELL RECHARGE**

The College fulfills its water requirement through 6 bore wells on the campus, 2 behind the college, 1 near the Library, 1 near the Canteen, 1 in between the four-wheeler parking and the Masjid and the last one in Ladies Hostel-II. These bore wells along with one open well supply water to all the wings of the main block, the three hostels, the Masjid and the canteens.
