Sadakathullah Appa College bridges the gap between the student community and the less privileged classes of the society by offering various extension activities as a part of their curriculum. Sadakath Outreach Programme (SOP) , is one such extension activity of our College functioning since 2009. This extension programme helps students to learn about nook and corner of the society. Dr. M. Sheik Muhideen Badhusha, Department of Chemistry, is the coordinator of this initiative.
