History and Legacy

Sadakathullah Appa College: A Beacon of Inclusive Higher Education in Southern Tamil Nadu.

Sadakathullah Appa College, established in 1971, stands as the only Aided Muslim Minority Institution serving the socially and educationally backward region encompassing the Tirunelveli, Thoothukudi, Tenkasi, and Kanyakumari districts. Founded by visionary philanthropists, the College aims to empower marginalized communities through quality higher education. Despite its minority status, over 50% of its students come from disadvantaged and scheduled communities, reflecting its commitment to inclusivity and upliftment.

The College is founded on secular values, promoting unity in diversity, selfless service, patriotism, and equality. With Autonomous Status since 2007, it has achieved significant academic milestones, including NAAC reaccreditation with an 'A++' Grade and a CGPA of 3.56/4.0 in the IV Cycle and a place in the NIRF Top 100 Institutions with a rank of 98 in 2024. It is ISO 9001:2015 certified and recognized as a Local Chapter for SWAYAM-NPTEL and a Mentoring Institution under UGC's PARAMARSH Scheme, having received Rs. 30 lakhs to mentor aspiring colleges.

Key initiatives include the Sadakath Outreach Programme, SHIFA Medical Aid Scheme, and Earn While You Learn programme that benefit hundreds of students for continuing their studies. The College promotes academic and research excellence through the Sadakath Multidisciplinary Biannual Journal, a modern Counseling Cell, and a newly constructed state-of-the-art Library with a plinth area of 12,500 sq. ft., built at a cost of Rs. 3 Crores.

The College is also home to a modern Indoor Stadium and Sports Gallery, thanks to generous alumni and MP contributions. It has consistently won the University-level athletic championship for three consecutive years and ensures 50% representation for women in the Student Council.

Through mentoring, research, inclusive education, and student welfare, Sadakathullah Appa College continues to be a distinguished centre of learning and social transformation in Southern India.

Vision

Sadakathullah Appa College, founded by the Muslim minority community, is committed to provide quality higher education to all especially the Muslims, both men and women and other deprived, disadvantaged, underprivileged sections of the society. It is equally committed to inculcate the students with spiritual and moral values. The college aims at producing good and useful citizens worthy of the great land.

It is an added honour for me to continue my family's long-standing association with this esteemed institution, which dates back to the 1970s through my father's involvement. In the spirit of continuing this legacy, I have brought my son along today, to extend this connection to the next generation. Educational institutions serve as guiding lights for future generations, and a college of exceptional quality such as this plays a vital role in shaping the future.
