Orientation & Documentary Screening on Environment

Date: 21.01.2025

The Red Ribbon Club of Sadakathullah Appa College conducted an impactful Orientation & Documentary Screening on Environment on 21st January 2025. The program was aimed at making the students aware of the importance of environmental conservation and community participation in protecting natural habitats.

Dr. M. Abdul Rahuman, Convener of the Red Ribbon Club, welcomed the dignitaries, students, and participants with a warm welcome, underlining the importance of youth in environmental activities.

In his Presidential Address, Dr. S.M. Abdul Kader, Principal of the college, called for urgent action on the part of all in preserving the environment and motivated the students to actively participate in eco-friendly activities.

The Vice-Principal of Unaided Courses, Dr. S. M. A. Syed Mohamed Khaja, took the initiative to deliver the Felicitation Address, expressing appreciation for the events in promoting awareness about the environment.

The Orientation Session was led by Mr. S. Maharaja, Project Manager at the Environmentalist Foundation of India (E.F.I). He provided an insightful overview of E.F.I's mission and shared inspiring success stories of lake and pond restoration projects undertaken by the organization across India. His talk motivated the audience to participate in local conservation efforts.

A Documentary Screening formed part of the event, which depicted the fantastic transformations reached through E.F.I restoration work. This highly illustrative documentary profoundly touched the emotions of viewers and further emphasized the need to conserve water bodies and habitats for wildlife.

The programme ended with a Vote of Thanks delivered by Dr. J.A.M. Omeray Farook, Program Officer of the Red Ribbon Club, who thanked the guests, faculty members and students for their active participation in the event. He also thanked the organizing team for their efforts to make the event a grand success.

The Orientation & Documentary Screening on Environment was an outright success, inspiring the audience to take active steps toward environmental conservation and creating awareness about the importance of preserving nature for the generations to come.
