TAMIL CHAIR

Tamil Chair Inc. is a non-profit organization registered in the state of Maryland (USA) that is currently working on fund raising for Harvard Tamil Chair. Six million US Dollars is required to establish it. Tamil is one of the very few languages of the world with a classical past and a robust literary tradition that has continued to this day. Despite many foreign occupations of the Tamil country and other outside influences, this noble language has always shined, producing vibrant literature for over two thousand years. We feel really proud to register that on behalf of the alumni association of our college we

have donated Rupees One Lakh for establishment of the Tamil Chair at Harvard university. The cheque was handed over to the honourable Chief Minister of Tamilnadu on 03.03.2018
